Sanders,2011-05-19 Rediscover meaningful worship of God with Doris Jean Sanders s informative debut book *Unlocking the Mysteries of Praise* An essential read for all Christians this straightforward guide provides a foundation for the fundamentals of praising God Through the course of eight chapters Sanders demonstrates the need for Christians to actively worship God the most effective ways in which they can do so and to whom exactly this praise should be directed Each example given and expounded upon is based on a firm understanding of the Bible itself Grounded in textual evidence as opposed to mere conjecture or opinion *Unlocking the Mysteries of Praise* aims to let readers see for themselves how the power of praise works to positively change a person s life Making the careful distinction between praise and worship Sanders simply and honestly depicts the moving power of both when they are put into action Ultimately properly praising God requires a certain amount of work the kind of work that sustains and nourishes the Christian spirit By following the guidelines explained both within the Bible and within the pages of this text readers will have the opportunity to serve God in the way they were intended *The Sound of the Spirit* Harry Salem III,2015-06-02 Praise and worship has been a key stone for relationship with God To study and teach knowledge and interactions of praise and worship is to understand a deeper intimacy between God and His creations Before his fall Lucifer was the chief worshiper of God and His glory The Holy Spirit has a deeper intimacy with God s children when manifested in an atmosphere of praise and worship that brings love healing and restoration Angels were created as worshipers of God and the most elite of God s angels are the worshipers that encompass His throne These are just some of the discoveries that are found in *The Sound Of The Spirit* From careful study of linguistics theology history and science comes the revelation of praise and worship that has never been put into a single volume book until now Dr Harry Salem III takes you into a world of experience from the natural to the supernatural You will learn about angels and their purpose in praise and worship their free will and the consequences of going against their specific purpose how Lucifer was a chief prince in the very presence of God and the reasons why he rebelled and became Satan Dr Salem will reveal mysteries showing the nature of the Holy Spirit The nature and purpose of the Holy Spirit are always being studied In his book you will study the primal nature of what the Holy Spirit is from research done in the Old and New Testament See how the Holy Spirit is in essence the manifesting of the Word of God Learn how while forgiveness is available if you sin against God but to sin against the Holy Spirit is an unforgivable act The very presence of the Holy Spirit in a pure movement of praise and worship to God can bring about healing and revelation from God when He is manifested This revelation will shed light on the nature of the movement of the spirit of God that people might never have thought about Dr Salem gives insight into the interactions of positive and negative influences on people He gives insight into the supernatural workings of how music such as rap and hip hop can influence a vast multitude of people from just a single individual singing He will show how the forces of God and

the enemy can manifest based on the negative and positive influences that come from such places as people cities nations and the heavenly realm This insight will also show how to wage war in the spirit against all the enemy forces that seek to kill to steal and to destroy Praise and worship are apart of the very nature of God Throughout the Bible we see praise and worship in interactions with God and His creations the world and the miracles that show us Gods signs and wonders The use of praise and worship by mankind is what makes completeness in God from His greatest creation By discovering the fullness of Gods presence in praise and worship brings about human beings becoming like Jesus as He was as the Last Adam By discovering the intimate knowledge behind praise and worship Dr Salem hopes to bring Gods children into a closer relationship with Him This book provides a deep study spanning eleven chapters that reveal new knowledge and excitement in learning about praise and worship In the pages will flow insight that is from a new Godly generations scholar Dr Salem wishes to fulfill the long and desired dream of teaching people getting excited about learning and seeing the excellence of all Gods great creation Dr Salem s motto of Excellence is excellent is what he hopes to impart to all the readers of The Sound Of The Spirit It is a detailed study of the theological scientific healing and application of God s praise and worship with all of His creations
