Unseemly Education Of Anne Merchant V Trilogy:

The Unseemly Education of Anne Merchant Joanna Wiebe, 2014-01-14 So many secrets for such a small island From the moment Anne Merchant arrives at Cania Christy a boarding school for the world's wealthiest teens the hushed truths of this strange unfamiliar land begin calling to her sometimes as lulling drumbeats in the night sometimes as piercing shrieks One by one unanswered questions rise No one will tell her why a line is painted across the island or why she is forbidden to cross it Her every move even her performance at the school dance is graded as part of a competition to become valedictorian a title that brings rewards no one will talk about And Anne discovers that the parents of her peers surrender million dollar possessions to enroll their kids in Cania Christy leaving her to wonder what her lowly funeral director father could have paid to get her in and why As a beautiful senior struggles to help Anne make sense of this cloak and dagger world without breaking the rules that bind him she must summon the courage to face the impossible truth and change it before she and everyone she loves is destroyed by it

The Wicked Awakening of Anne Merchant Joanna Wiebe, 2015-01-20 Behind every secret lurks one much darker Thrust back into the cryptic world of Cania Christy Anne Merchant finds herself tangled in a mystic plot she can't escape Eerie visions haunt her Whispers of her nefarious past vex her But it's not until Ben Zin is forced to compete for the Big V with a vengeful guardian to assure his failure that she faces the reality of life in a world ruled by wickedness she must embrace her inner demons to help those she loves Hoping the ends will justify the means Anne starts down a slippery slope that if she lets temptation guide her could lead her straight to the underworld
