When she does, he finds that he still has strong feelings for her and he has to wonder: Is there such a thing as a second chance? Almost Paradise Jeff Roarke has a strict no romance in the workplace policy. So what if the workplace happens to be a summer camp deep in the woods? He's the camp director and he's against anything that will distract the kids or the counselors. And there's nothing more distracting than love. He discovers how true that is when he falls for counselor Sherry White. He's determined to resist her and she's just as determined not to let him.

Wild as the Wind Aubrey Hoffmann, 2025-03-14 Wild as the Wind: A Passionate Fiery Western Romance. She's untamed. He's relentless. Together they're a storm no one can control. When Fernando, a skilled but guarded horse trainer, arrives at the ranch, he's determined to leave his past behind. His focus: Hard work, not distractions. But from the moment he crosses paths with Olivia, the ranch's fierce and

untouchable heir everything changes Known as the Viper Olivia rules with an iron will earning both respect and fear from those around her Beneath her sharp edges though she carries scars no one sees and a heart she refuses to surrender She vowed never to let a man get too close But Fernando He's never been one to back down from a challenge Their chemistry is undeniable Their battles are explosive And the attraction between them As wild and untamed as the horses Fernando trains One lingering glance One electrifying touch One moment where resisting is no longer an option But Olivia has a secret a reason to guard her heart Her daughter Maya And Fernando has his own ghosts chasing him As their passion ignites so do the dangers of the past Can two untamed souls truly surrender to love Or will they destroy each other in the process **The Identities of Catherine de' Medici** Susan Broomhall,2021-07-05 In *The Identities of Catherine de Medici* Susan Broomhall provides an innovative analysis of the representational strategies that constructed Catherine de Medici and sought to explain her behaviour and motivations Through her detailed exploration of the identities that the queen her allies supporters and clients sought to project and how contemporaries responded to them Broomhall establishes a new vision of this important sixteenth century protagonist a clearer understanding of the dialogic and dynamic nature of identity construction and reception and its consequences for Catherine de Medici's legacy memory and historiography *Version One Is Better Than Version None* KR Goswami,2021-05-26 When I was in Indian Air Force and flying in the chopper the pilot planned sorties primarily based on assumptions Taking off at the helipad landed at the destination place and gave room for an emergency landing if something went wrong He covered all the checkpoints before taking off but he knew that all the identical decisions would be made on the way He never tried to forecast for the entire route rather than picking up the current weather report available at the time of take off as it was needed to adjust in real time situations and never stuck The ability to sit try and work out every possibility was always available but the flight plan he took on take off was always version one The project that he ended up executing by the time we landed at our destination was probably Version four or five Another example of version one for me while making videos for uploading to YouTube was the biggest challenge when I pushed through the first clip But I continued with my plans to serve and give to the target audience by narrating a couple of great stories that happened to me And ultimately my 21st video was much more attractive than my first video In any journey whether it is a stage presentation podcast episode cycling race or writing book version one of them was nowhere near the robustness of version nine It was always my first time in every prevailing situation that met the tire with the rugged road but as long as a Suck Less next time the newer version was always better than the previous I could keep on moving till I achieved momentum If you fall out of speed then you are dead in the water So often we can be paralyzed by fear Becoming stuck at the weight of a decision and not wanting to make a bad decision This slowing down of our thought processes is really counterproductive and it should not be allowed to be your default mindset to set in your business brain The secret to enabling yourself to make decisions and keep moving is as easy as reciting my favorite saying Version One is better than Version None The Letter Brett Stephan
