September Remember Eliot Taintor,2015-08-25 An alcoholic on awakening is much like a newborn baby fragile and without any defense against a very sober world September Remember begins with a terrifying and darkly funny blackout the sort of a blackout that pulls you right into the mind of a drunk on the loose Reading it I was reminded of my AA friend picking me up in his truck the uncertainty of that boozy hazy evening The blackout is not the story of September Remember but it s that darkness that will suck you into this story When published September Remember was a best seller and the first known novel that put AA into literary consciousness It s been out of print now for over 60 years The book is full of language and prejudices that are reflective of its time That was the time of America between the two world wars more than twenty years before Martin Luther King s I Have a Dream speech years before women made it out of the kitchen into the living room and years before new immigrants were only recognizable by the

derogatory terms used to describe them In that way September Remember can be treated as a historical document that mentions Alcoholics Anonymous but it is much more than that its mythology is essentially AA s a story of rebirth and redemption A Cry in the Dark Denise Grover Swank,2019-11-12 A woman fleeing her past finds more than she bargains for in a new suspense series by New York Times Wall Street Journal and USA Today bestselling author Denise Grover Swank A woman on the run with no one to trust With the ink barely dry on her new identity Carly Moore just wants to disappear but fate has other plans Broken down car next to nothing in her bank account Carly is stuck in a Smoky Mountain town that time has forgotten Drum is riddled with secrets and outsiders are eyed with distrust Still it isn't until she witnesses a cold blooded murder in a darkened parking lot that she realizes she's escaped one nightmare only to land in another As the clock ticks down and more bodies pile up Carly doesn't know who to trust If she doesn't stop the killers they just might stop her permanently What readers are saying about A Cry in the Dark Wow What an incredibly amazing start of new series BookBub review 5 stars Story line with so many twists and turns makes you not to trust anyone and yes there were moments I suspected almost everyone Goodreads review 5 stars This was hands down one of my favorite books by Denise Grover Swank The mystery The suspense The romance The open ended ending leaving room for a whole slew of more books for this series Goodreads review 5 stars The Boys in the Band Mart Crowley,1968 Full length drama 9 m interior P 4 of cover
