Answered Prayers Danielle Steel,2003-09-30 Danielle Steel s 56th bestselling novel is about family and friendship about one woman s struggle to break free from the past and the man who helps her triumph And most of all it is about daring to believe in Answered Prayers On the outside Faith Madison is the very picture of a sophisticated New Yorker Slim blond stylish Faith has a life many would envy Overcoming a childhood marked by tragedy married to a successful investment banker and having raised two grown daughters Faith has enjoyed her role as mother and wife and the good life that emanates from their bustling Manhattan town house But every step of the way Faith has carried within her a secret she could divulge to no one And with it she has kept an even more painful secret from herself For Faith it is the sudden death of her stepfather a man who like her husband Alex always remained just beyond her reach that will touch off a journey of change and revelation At the funeral painful memories flood back and an old friend reenters Faith s life Faith is greeting mourners

when she hears a voice behind her and a single word that brings a quick smile to her face Fred Only one person aside from her older brother Jack called her that Brad Patterson was Jack's best friend a long lanky boy who teased, tormented and protected Faith when they fancied themselves The Three Musketeers as kids When Jack died years later Faith and Brad came together again in their common inconsolable grief then lost touch once more amid the demands of families and busy lives a continent apart Now a lawyer in California Brad has reentered Faith's life just as she is making a decision that plunges her marriage into crisis Determined to fulfill a long held desire for a career of her own Faith applies to law school against her husband's wishes igniting a barrage of anger and recrimination Faith's only solace is the correspondence she has begun with Brad a man trapped in an empty marriage of his own a friend she once lost and has found again Soon e-mails are flying between them bridging three thousand miles sharing much needed friendship support laughter And as these two childhood friends rediscover each other something extraordinary is beginning to happen In the safety of their friendship Brad will find the courage to make a decision he should have made years before And Faith too is changing beginning to believe in herself and in her right to grab hold of her dreams Gathering a strength she never knew she had Faith is finally ready to face the most painful step of all of sharing the secret that has long been haunting her and truly opening up her heart for the first time in her life With unerring insight into the hearts of husbands and wives lovers and families Danielle Steel tells a wise and moving story of the secrets that wound and the choices that heal and of the second chances that come only once in a lifetime
