

SUPA Forensics

Course Description

Forensics will explore the science behind criminal investigation; it is the application of science to law. We will investigate actual case histories and, with an increasing background in the subject area, come up with clues and answer questions presented by scientists and law enforcement agencies. Topics covered will include forensics chemistry, biology, earth science, physics, pathology, odontology, entomology, and anthropology to name a few. We will be following cases and articles from news sources on a daily basis as well as individual projects each marking period. This is a college level course. Minimum averages, as stated by MHS policy for honors and advanced courses, will be required to remain in the class.

Procedure

Class meets one period daily. Some activities will require after school work.

Laboratory and case study requirements

We will be performing labs and case study investigations that will require write-ups and further research. Procedures for each assignment will be explained in class. Successful completion of each and every activity is a requirement for completion of the course. Access to the library and computer labs will be done at first with teacher assistance to help with resource tools, then on your own. Access to the S.U. library and database are also available.

Textbook

Criminalistics: an Introduction To Forensics Science, Seventh edition by Richard Saferstein.

College Credit

Since this is a Syracuse University sponsored course, all students are required to pay tuition to S.U. as stated in the course guide. This course is taught under the same guidelines as the one at S.U. Upon successful completion, students will receive a S.U. transcript for 4 credits that may be transferred to most colleges and universities. Information on registration and payment to S.U. will be discussed in class and posted on our class web site (see #11 below).

Student expectations

- 1) Be in class by the late bell. Illegal absences and lateness's will be dealt with in accordance with the attendance policy.
- 2) Proper behavior is to be observed at all times.
- 3) Assignments are to be completed in full by the date due. If you are having difficulty with an assignment, be sure to ask questions before the due date.
- 4) A notebook or section of a loose leaf will be needed.
- 5) A folder is required to maintain your coursework portfolio.
- 6) Tests are announced at least 2 days ahead of time. Makeup tests are given during your free or lunch period, or after school the day you return.
- 7) Quizzes are fair game at any point in time.
