Supplement To Rogawski Solutions:

Single Variable Calculus Jon Rogawski, 2007-06-11 The single variable volume of Rogawski's new text presents this section of the calculus course with solid mathematical precision but with an everyday sensibility that puts the main concepts in clear terms. It is rigorous without being inaccessible and clear without being too informal; it has the perfect balance for instructors and their students.

Multivariable Calculus (Paper) Jon Rogawski, 2007-06-22 The multivariable version of Rogawski's new text presents calculus with solid mathematical precision but with an everyday sensibility that puts the main concepts in clear terms. It is rigorous without being inaccessible and clear without being too informal; it has the perfect balance for instructors and their students.

Calculus Jon Rogawski, 2011-03-30 What's the ideal balance? How can you make sure students get both the computational skills they need and a deep understanding of the significance of what they are learning? With your teaching supported by Rogawski's *Calculus Second Edition*, the most successful new calculus text in 25 years. Widely adopted in its first edition, Rogawski's *Calculus* worked for instructors and students by balancing formal precision with a guiding conceptual focus. Rogawski engages students while reinforcing the relevance of calculus to their lives and future studies. Precise mathematics, vivid examples, colorful graphics, intuitive explanations, and extraordinary problem sets all work together to help students grasp a deeper understanding of calculus. Now Rogawski's *Calculus* success continues in a meticulously updated new edition. Revised in response to user feedback and classroom experiences, the new edition provides an even smoother teaching and learning experience.
