By Any Other Name James G. Abernathy, 2007-09-01 Have you ever wondered what a worldview is and why it's so important how liberal and conservative Christians both claim the Bible as their foundation why different worldviews attempt to solve the same problems in different ways how two people who formally espouse different worldviews can agree on so many issues why secularism is just as religious as Christianity why secularism has its own mythology why secularists want to silence Christianity in America's legislatures courts schools and churches why education is nearly always offered as a solution to society's ills and why it won't work how to formulate positions on contemporary issues not directly mentioned in the Bible why Christians are often ineffective at influencing culture Abernathy answers these questions and many more by examining the relationship between ideas and their real world consequences This foundational relationship is key to understanding secularism to understanding why its attempts to solve society's problems produce disastrous real world consequences and how its ideas infiltrate the biblical principles of even the most committed Christians Abernathy sifts through the deceptive language of secular orthodoxy and shows how secularism by any other name still has tragic real world consequences Ideologies such as humanism postmodernism and liberal Christianity are exposed as repackaged havens of a failed worldview Seemingly well intentioned notions such as progressive education pacifist foreign policy tolerance and wealth redistribution are debunked as deceptive myths peddled by an impoverished faith *By Any Other Name* shatters the secular barrier erected to exclude Christianity from the marketplace of ideas and lays the groundwork for engaging a culture contaminated by secular mythology *Ohio Lawyer*, 2004 *Books Abroad*, 1929 *Madam Chief Justice* W. Lewis Burke, Joan P. Assey, 2015-12-22 The story of South Carolina's first female Chief Justice with contributions by Sandra Day O'Connor Ruth Bader Ginsburg legal scholars family members and more As a lawyer legislator and judge Jean Hoefer Toal is one of the most accomplished women in South Carolina history In this volume contributors including two United States Supreme Court Justices federal and state judges state leaders historians legal scholars leading attorneys family and friends provide analysis perspective and biographical information about the life and career of this dynamic leader and her role in shaping South Carolina Growing up during the 1950s and 60s Jean Hoefer was a youthful witness to the civil rights movement in the state and nation Observing the state's premier civil rights lawyer Matthew J. of information In 1988 she was sworn in as the first female justice on the Supreme Court of South Carolina and twelve years later she was elected Chief Justice becoming the first woman ever to hold the highest position in the state s judiciary As Chief Justice Toal modernized not only her court but also the state s judicial system As a child she loved roller skating in the lobby of the post office a historic building that now serves as the Supreme Court of South Carolina From a child in Columbia to Madam Chief Justice her story comes full circle in this compelling account of her life and influence Contributors include Joseph F Anderson Jr Joan P Assey Jay Bender C Mitchell Brown W Lewis Burke Jr M Elizabeth Liz Crum Tina Cundari Cameron McGowan Currie Walter B Edgar Jean Toal Eisen Robert L Felix Richard Mark Gergel Ruth Bader Ginsburg Elizabeth Van Doren Gray Sue Erwin Harper Jessica Childers Harrington Kaye G Hearn Blake Hewitt I S Leevy Johnson John W Kittredge Lilla Toal Mandsager Mary Campbell McQueen James E Moore Sandra Day O Connor Richard W Riley Bakari T Sellers Robert J Sheheen Amelia Waring Walker Bradish J Waring

Revolution and Evolution in Private Law Sarah Worthington, Andrew Robertson, Graham Virgo, 2018-01-11 The development of private law across the common law world is typically portrayed as a series of incremental steps each one delivered as a result of judges dealing with marginally different factual circumstances presented to them for determination This is said to be the common law method According to this process change might be assumed to be gradual almost imperceptible If this were true however then even Darwinian style evolution which is subject to major change inducing pressures such as the death of the dinosaurs would seem unlikely in the law and radical and revolutionary

paradigms shifts perhaps impossible And yet the history of the common law is to the contrary The legal landscape is littered with quite remarkable revolutionary and evolutionary changes in the shape of the common law The essays in this volume explore some of the highlights in this fascinating revolutionary and evolutionary development of private law The contributors expose the nature of the changes undergone and their significance for the future direction of travel They identify the circumstances and the contexts which might have provided an impetus for these significant changes The essays range across all areas of private law including contract tort unjust enrichment and property No area has been immune from development That fact itself is unsurprising but an extended examination of the particular circumstances and contexts which delivered some of private law s most important developments has its own special significance for what it might indicate about the shape and the shaping of private law regimes in the future The Nation ,1885 *The Publishers Weekly* ,1907 The Saturday Review of Politics, Literature, Science and Art ,1901 *The Literary Digest* ,1894 **Digest** ,1894
