The Practice of Everyday Life Michel de Certeau, 1984 Repackage of a classic sociology text in which the author develops the idea of resistance to social and economic pressures

Catalogue of the Historical Library of Andrew Dickson White Cornell University. Libraries, 1894

Michel de Certeau Jeremy Ahearne, 2013-06-26 Since his death in 1986 Michel de Certeau's reputation as a thinker has steadily grown both in France and throughout the English speaking world His work is extraordinarily innovative and wide ranging cutting across issues in historiography literary and cultural studies anthropology sociology theology philosophy and psychoanalysis This book represents the first full length study of Certeau's thought It is organized around the central theme of interpretation and alterity which Ahearne uses to illuminate Certeau's work as a whole The author also examines Certeau's theory and practice of historiography his reflection on the relations between changing historical forms of writing reading and orality and his distinction between the strategic programmes of the politically powerful and the tactics of the relatively powerless Ahearne places Certeau's work in its general intellectual context relating it to the views of important contemporary thinkers such as Pierre Bourdieu and Michel Foucault and demonstrating the decisive importance to Certeau's thought of the writings of the early modern mystics and travellers This book constitutes an excellent critical introduction to Certeau's work while also providing a comprehensive and

nuanced reading for those already familiar with his thought *Finding the Plot* Loïc Artiago, Diana Holmes, David Platten, 2014-08-11 Plot writes Peter Brooks is so basic to our very experience of reading and indeed to our articulation of experience in general that criticism has often passed it over in silence Reading for the Plot xi Finding the Plot both explores and helps to redress this critical neglect The book brings together an international group of scholars to address the nature effects and specific pleasures of consuming stories If the central focus is on France and popular literary fiction the book's scope like contemporary fiction itself observes no national frontiers and extends across a variety of media The book addresses both the empirical question of which genres and types of text have been and are most popular and the theoretical questions of how plots work what pleasures they offer to readers and why it matters that the plot should not be lost **Les martyrs Maccabées: de l'histoire juive au culte chrétien** Raphaëlle Ziadé, 2006-12-01 The Maccabean Martyrs Jewish heroes from the era of the persecution of Antiochus IV Epiphanes were incorporated into the IVth century Christian martyrology Two Church Fathers Gregory Nazianzen and John Chrysostom wrote panegyrics in their honour which are studied and translated in this book The first part shows how since the beginning the Church referred to these martyrs as biblical examples known through 2 and 4 Maccabees The second part describes through the eulogies of Gregory and John the circumstances surrounding the creation of the Christian Feast The third part analyzes the preaching built around the story of the Maccabean martyrs where following the 4 M model Eleazar the seven brothers and their mother are established as examples of virtue and asceticism for the edification of all Christians The book investigates an original aspect of the cult of martyrs the christianisation of Jewish martyrs killed defending the Law and sheds light on the sometimes contradictory preaching choices of Gregory and John to respond to the Jewish roots of this cult Les martyrs Maccabées h ros juifs de la persécution d Antiochus IV Epiphane furent int gr s dans le martyrologe chr tien au IV si cle la m me poque en Orient deux P res de l Eglise Gr goire de Nazianze et Jean Chrysostome ont prononc des discours pan gyriques en leur honneur tudi s et traduits dans ce livre La premi re partie montre comment depuis l origine l Eglise citait comme exemples bibliques ces martyrs connus par le Deuxi me et le Quatri me livre des Maccab es La deuxi me partie d crit au travers des pan gyriques de Gr goire et de Jean les circonstances qui ont marqu l instauration de la f te chr tienne d di e ces martyrs La troisi me partie analyse la pr dication adress e aux fid les partir de l pisode maccab en El azar les sept fr res et leur M re devenant sur le mod le de 4 M des exemples de vertus et d asc se propos s l imitation de tous Le livre explore ainsi un aspect original du culte des martyrs la christianisation de martyrs juifs morts pour la d fense de la Loi et met en lumi re les choix de pr dication parfois oppos s de Gr goire et de Jean face l enracinement juif de ce culte Traité pratique de neuropsychologie clinique de l'adulte Roger Gil, Michel WAGER, 2021-11-30 Abordant de mani re novatrice la neuropsychologie clinique de l adulte ce livre a pour ambition d tre une r f rence dans le domaine de la clinique et de l valuation des troubles cognitifs motionnels et comportementaux ainsi que de leur revalidation quidemeure tr s empirique Exposant les courants de pens e
