Surprised by the Power of the Spirit Zondervan,2010-08-10 What caused a former Dallas Seminary professor to believe that the miraculous gifts of the Holy Spirit are being given today What convinced someone skeptical about miracles that God still speaks and heals A dramatic change took place in Jack Deere s life when he took a fresh look at the Scriptures He discovered that his cherished arguments against miraculous gifts were based more on prejudice and a lack of personal experience than on the Bible As soon as Deere became a seeker instead of a skeptic the Holy Spirit revealed himself in new and surprising ways In Surprised by the Power of the Spirit Jack Deere provides a strong biblical defense for the Spirit s speaking and healing ministries today He also describes several reliable cases of people who were miraculously healed or who heard God speak in an unmistakable way Finally he gives sound advice for using spiritual gifts in the church Written in popular style with the care of a scholar but the passion of personal experience this book is a vital resource for people on both sides of the debate about miraculous gifts

Surprised by Healing Delores Winder,Bill Keith,2009-11-28 It was on August 30 1975 when Delores Winder attended a Methodist Conference on the Holy Spirit in Dallas Texas where Kathryn Kuhlman was speaking that the above Scripture became a reality in her life Facing death terminally ill with pseudo arthrosis and having been in a body cast for over fourteen years Delores was only seeking to receive something from God that she could leave with her young son Chris when she died She received the answer that night in Dallas as she felt the very presence of the living God surrounding her Never having seen a miraculous healing take place and believing that supernatural healing ended with the apostles Delores was not praying for a physical miracle However we have a God that is able to do exceeding abundantly above all that we ask or think

and she was transformed from hopelessness to wholeness set free from the disease that had her bound God is no respecter of persons and what He did for Delores He will do for you Always remember joy comes in the morning for regardless of any need you may be facing God is with you and there is nothing impossible with Him Hello Spirit Wilma

Why I Am Still Surprised by the Power of the Spirit Jack S. Deere,2020-04-07 In his classic Surprised by the Power of the Spirit Jack Deere looked at the reason why many Christians including himself at the time struggle to believe in miraculous gifts and he provided a groundbreaking biblical defense of the Holy Spirit s speaking and healing activities today In Why I Am Still Surprised by the Power of the Spirit the former Dallas Seminary professor revisits his earlier subject matter

with fresh insight and even stronger conviction the Scriptures teach that God is healing and speaking today just as he did 2 000 years ago Having almost entirely rewritten Surprised by the Power of the Spirit this new edition comes at a time when the theological landscape has dramatically changed and most evangelicals do believe in all the gifts of the Spirit But many of us are still unsure how to understand those gifts and there is much confusion today on what it means to be filled with the Spirit This book is for those familiar with Deere s work and for newcomers alike In it he Explains the nature of spiritual gifts defining each of them Offers sound advice on discovering and using spiritual gifts in church Tells documented stories of modern miracles and encounters with demonic powers Examines the New Testament use of the phrase filled with the Spirit to show why and how God still fills his servants with the Holy Spirit Introduces the newest literature defending and explaining the gifts of the Spirit With the care of a scholar and the passion of personal experience this new edition builds upon the legacy of Surprised by the Power of the Spirit and the profound impact it s had among Christians of many traditions

Mudra System of Qigong A.S. Umar Sharif MA, *Tarot Shadow Work* Christine Jette, 2000 In Tarot Shadow Work Christine Jette bravely takes the practice of tarot readings to new depths and places many people fear to go She shows us how we can use the cards to trigger awareness in ourselves of troubling aspects of our lives and histories and then go beyond discovery to use the cards as tools for healing This is part of the work that needs to be done with tarot in this new century Rachel Pollack author of 78 Degrees of Wisdom and the forthcoming Shining Tribe Tarot Deep within our psyches the unconscious holds our forbidden feelings secret wishes and creative urges Over time these dark forces take on a life of their own and form the shadow a powerful force of unresolved inner conflicts and unexpressed emotions that defies our efforts to control it The shadow takes its shape from a menagerie of archetypes each recognizable throughout time and around the

world troubling characters who thrive within our persona The shadow is saboteur martyr victim addict sadist masochist or tyrant all the dark figures that prey on the lighter qualities of the human personality The shadow also represents those latent talents and positive traits that were banished from us at some time along our life path artistic musical athletic or creative talents An undeveloped ability a dream that has gone unexpressed a fantasy of what might have been these too make up the personal shadow the lost parts of ourselves Tarot Shadow Work shows you how to free yourself from the shackles of the shadow's power Through tarot work journaling meditation creative visualization and dream work you will bring the shadow into the light This book is ideal for those who are in recovery from a serious addiction or illness as well as any person seeking a deeper understanding of his or her true self By exploring the dark and uncharted territory of the unconscious mind you will work towards understanding and integrating the shadow No prior knowledge of the tarot is required You will learn to use the cards as a tool to help you break free from negative patterns and self destructive behavior Once we realize that we are made of both light and darkness life will start to make sense When we accept our dual natures we stop sabotaging our own efforts and learn to be compassionate with others and with ourselves

After the Benediction Ellen L. Grant, 2008-08-08 Huffing puffing and cussing why are you acting this way and you just left church Are you the same person after church that you are during worship service After the Benediction is a reality based effective tool addressing challenges that many Christians face today such as controlling in laws hellacious bosses pretentious pastors dysfunctional families illnesses financial ruin and the most gratifying temptation of all flesh This compelling and unique book offers victory strength and salvation to overcome those challenges Although the journey of life is sometimes unpredictable believers must know an abundant victorious peaceful life is a reality This extraordinary book opens with a preface that is all too familiar Saturday Night Special has a sultry provocativestoryline with opposing influences of good and evil The decisions we make are not necessarily based on our moral conduct or religious heart ties Sometimes we do what we like because it feels good and then comes the guilt Each chapter thereafter makes verbal contribution so that the reader can be inspired because God is not like man He does not engage in one night relationships His love is so everlasting you can call him the morning after Christians experience empowerment for approximately 2 hours on Sunday Upon their departure from service sin approaches in all forms to discredit the word of God Once the doors are closed there is a real devil desiring to tear believers apart Therefore truth and knowledge are needed to guide individuals from remaining cemented in the problem to seeking answers Therefore nonbelievers can truly benefit because salvation is offered Believers are balanced blessed and empowered because the power and glory of God is available After the Benediction

They Shall Lay Hands on the Sick and the Sick Will Recover Evangelist Dan Nolan, 2018-06-01 What does the Bible say about healing Christians have been empowered by God to pray for and minister healing to others This ranges from physical ailments and mental disabilities to emotional wounds and deficiencies However there are certain things all Christians MUST learn if they want to get the maximum results possible

when it comes to healing whether it s for themselves or for someone else It is God s desire that all should be healed They Shall Lay Hands on the Sick and the Sick Shall Recover is an enticing collaboration of testimonies scripture and commentaries to help you effectively assist those in need of God s healing power Learn how to Make more power available to you to deal with demonic influences affecting health Discern the source of the sickness Flow in the gifts of the Spirit to administer healing and Live a consecrated life so God can use you as He desires Leaves of Healing ,1901 **Surprised by God** Kindalee Pfremmer De Long,2009 Scholars have long noted the prevalence of praise of God in Luke Acts This monograph offers the first comprehensive analysis of this important feature of Luke s narrative It focuses on twenty six scenes in which praise occurs studied in light of ancient Jewish and Greco Roman discourse about praise of deity and in comparison with how praise appears in the narratives of Tobit and Joseph and Aseneth The book argues that praise of God functions as a literary motif in all three narratives serving to mark important moments in each plot particularly in relation to the themes of healing conversion and revelation In Luke Acts specifically the plot presents the long expected visitation of God which arrives in the person of Jesus bringing glory to the people of Israel and revelation to the Gentiles The motif of praise of God aligns closely with the plot s structure communicating to the reader that varied and often surprising events in the story such as healings in Luke and conversions in Acts together comprise the plan of God The praise motif thus demonstrates the author s efforts to combine disparate source material into carefully constructed historiography Publisher s website
