

A photograph of a nightclub interior. The scene is dominated by a long bar on the left with a yellow tufted front. The ceiling is a complex, multi-layered structure of dark wood or metal with recessed lighting. The walls are a deep red color. In the foreground, a small round table holds a drink and a small gift. The overall atmosphere is warm and sophisticated.

A Quest for Souls George Washington Truett, 1917      Nine-Sky Mysterious Phoenix's Shocking Transformation Jeffrey Sanders, 2021-09-07 Dusk enveloped Kyoto China's most prosperous city The setting sun shone on the glass of the skyscrapers making them appear golden and magnificent Many office workers poured out of the high rise buildings eager to return to their warm homes

*Surrendered Child* Karen Salyer McElmurray, 2011-08-15 *Surrendered Child* is Karen Salyer McElmurray's raw poignant account of her journey from her teen years when she put her newborn child up for adoption to adulthood and a desperate search for the son she never knew In a patchwork narrative interwoven with dark memories from her childhood McElmurray deftly treads where few dare into a gritty honest exploration of the loss a birth mother experiences The year was 1973 a time of social upheaval even in small town Kentucky where McElmurray grew up More than a story of time and place however this is about a girl who at the age of sixteen relinquished her son at birth Twenty five years would pass before McElmurray began sharing this part of her past with others and actively looking for her son McElmurray's own troubled upbringing and her quest after a now fully grown son are the heart of her story With unflinching honesty McElmurray recounts both the painful surrendering and the surprise rediscovery of her son juxtaposed with her portrayal of her own mother who could not provide the love she needed The dramatic result is a story of birthright lost and found and an exploration of the meaning of motherhood itself

**Sermons** Sam Porter Jones, 1886 **Multidimensional Heart** H  l  ne Konokovi Abiassi, 2022-08-22 When we speak about the heart we often talk about sentimental and emotional matters Nonetheless what I mean to explore here is the heart as a chakra as an energy center as an intelligence and as pure love In the heart one can deal with and work on all subjects However in this day and age human beings are programmed and conditioned to experience life through another energy center the mental chakra which is also very important Today we talk about the heart chakra as a center of energy and strength it is a combination This is about so much more than I can describe We all have many bodies you can imagine them as Russian dolls stacked inside one another Because of our experience and because of the decisions we make as human beings our energy will activate many of these bodies and the heart chakra activates many others Our personal development goes through balancing and aligning all our chakras and energy centers and what our service here is about is to give attention to and to reach the heart chakra This approach is very enriching and it expands this chakra We develop ourselves in a personal and deep way throughout our evolutionary journey The heart chakra is very caring with us in the true sense of the word care First of all it loves us and it teaches us to find this love in ourselves I am not talking about vanity nor narcissism I am talking about a real deep love about accepting our reality and the being that we truly are *One Thousand Evangelistic Illustrations* Aquilla Webb, 1921 **Strange but true [collected tracts]**.
