Jeffrey MacDonald,2013-04-23 A pastor and religious journalist s cri de coeur for a new religious reformation denouncing the consumer friendly congregations and therapeutic ministry of the mega church era **The Gospel of J. Edgar Hoover** Lerone A. Martin,2024-11-05 The shocking untold story of how the FBI partnered with white evangelicals to champion a vision of America as a white Christian nation On a Sunday morning in 1966 a group of white evangelicals dedicated a stained glass window to J Edgar Hoover The FBI director was not an evangelical but his Christian admirers anointed him as their political champion believing he would lead America back to God The Gospel of J Edgar Hoover reveals how Hoover and his FBI teamed up with leading white evangelicals and Catholics to bring about a white Christian America by any means necessary Lerone Martin draws on thousands of newly declassified FBI documents and memos to describe how under Hoover s leadership FBI agents attended spiritual retreats and worship services creating an FBI religious culture that fashioned G men into soldiers and ministers of Christian America Martin shows how prominent figures such as Billy Graham Fulton Sheen and countless other ministers

from across the country partnered with the FBI and laundered bureau intel in their sermons while the faithful crowned Hoover the adjudicator of true evangelical faith and allegiance These partnerships not only solidified the political norms of modern white evangelicalism they also contributed to the political rise of white Christian nationalism establishing religion and race as the bedrock of the modern national security state and setting the terms for today's domestic terrorism debates Taking readers from the pulpits and pews of small town America to the Oval Office and from the grassroots to denominational boardrooms *The Gospel of J Edgar Hoover* completely transforms how we understand the FBI white evangelicalism and our nation's entangled history of religion and politics Corporate Designing Religion Graham Wiseman, 2023-10-18 Design professionalism interwoven with strategic marketing skills and advances in the technologies of digital communication are changing the interface and conceivably the future image of religious institutions How and to what extent does corporate design influence the identity of religious institutions in the digital era Six denominational case studies including multifaith in Europe were investigated The concluding hypotheses outline principal response indicators supplemented by a Religious Branding Compass to assist in identifying the religious institutions visual identity projections

Methodism and American Empire David William Scott, Filipe Fernandes R. Maia, 2024-01-31 Living into a less colonial way of being together Methodism and American Empire investigates historical trajectories and theological developments that connect American imperialism since World War II to the Methodist tradition as a global movement The volume asks to what extent is United Methodists vision of the globe marred by American imperialism Through historical analyses and theological reflections this volume chronicles the formation of an understanding of The United Methodist Church since the mid 20th century that is both global and at the same time dominated by American interests and concerns Methodism and American Empire provides a historical and theological perspective to understand the current context of The United Methodist Church while also raising ecclesiological questions about the impact of imperialism on how Methodists have understood the nature and mission of the church over the last century Gathering voices and perspectives from around the world this volume suggests that the project of global Methodism and the tensions one witnesses therein ought to be understood in the context of American imperialism and that such an understanding is critical to the task of continuing to be a global denomination The volume tells a tale of complex negotiations happening between United Methodists across different national cultural and ecclesial contexts and sets up the historical backdrop for the imminent schism of The United Methodist Church Church Schism & Corruption: Book 6 Achim Nkosi Maseko, *Official Gazette Philippines*, 2011 *History of the First United Methodist Church of Newport, Arkansas, 1874-1984* Elliott McDonald McManus, 1985 The First United Methodist Church was organized December 24 1874 *Pastoral Bearings* Mary Clark Moschella, Jane F. the influence of liberation theology and postmodernism pastoral theologians like other scholars of religion have begun more closely to examine the particularity of religious practice that is reflected through the rubric of lived religion Pastoral Bearings offers up ten studies that exemplify the usefulness of the lived religion paradigm to the field of pastoral theology The volume presents detailed qualitative research focused on the everyday beliefs and practices of individuals and groups and explores the implications of lived religion for interdisciplinary conversation intercultural and gender analysis and congregational studies Reflecting upon the utility of this approach for pastoral theological research education and pastoral care the studies collected in Pastoral Bearings demonstrate the importance of the study of lived religion **Our Methodist**

Standards and Heritage David M. Battle, 2023-04-16 Our Methodist Standards and Heritage calls all Methodists back to the roots of Methodist teaching as shown in the General Rules of the Methodist Societies and in the Articles of Religion that John Wesley sent to America The book can be divided into three parts The first two parts are for all Methodists regardless of denomination They cover the General Rules that governed the behavior of Methodists before the establishment of any Methodist church These rules were actually an evangelistic tool that demonstrated our need for the grace of God The second part explains how the Articles of Religion are an expression of basic Protestant Christian beliefs and how they still apply today The last section begins by describing distinctive Methodist doctrines found in the Other Beliefs Finally Southern Methodist particulars are articulated and discussed **Hearings, Reports and Prints of the House Committee on**
