Naomi Rohan

Unity In Community Bridging The Void Between The Generation:

Unity in Community Kory Gann, 2014-11-01 With a new generation of leaders rising up to take their place within the Church there is a growing importance to close in on the generational gap separating us all Written to the older generations within the Church Unity in Community tells the story of finding your place through the eyes of a Mosaic and shows the importance of different ages of people working together in order to fulfill one common goal overcoming brokenness together and striving to hold each other accountable for our actions and pursuits

Reconstruction for the Next Generation

Mary Barnes Brown, 2022-11-03 Through my day to day living I saw a concerning development within our societal sphere My concern is on a break among the generations that runs deeper than the normal trends of the younger generations being technologically savvy and the more mature generations talking about the aEURoeold days aEUR We look at the greatest generation that faced the Great Depression as children then World War II as young adults We look at the baby boomers as they ushered in an era of a strong work ethic and resourcefulness The Gen X expanded technology The millennials show their street smarts and are avid consumers Then we see how the Gen Z develops their social media consumption habits and how they are always wired This writing is to construct a new generation for looking forward to a change in our present day generations I hope my perspective will bring about some insight as to why we as a generation have been disconnected and why it is important to reconnect with all generations The discussions here are the causes of the generational divide and some methods on how to bridge the gap among the generations In the early stage of any writing I examine how Martin Luther King Jr sought to bridge the gap between the races to bring about a more perfect union My goal is to bridge the generational gap to bring about a more harmonious people Now is the time for us to evaluate and reevaluate our focus toward the goal of recovering our connection with all generations
