

Essay Questions

The University of Chicago has long been renowned for its provocative essay questions. We think of them as an opportunity for students to tell us about themselves, their tastes, and their ambitions. They can be approached with utter seriousness, complete fancy, or something in between.

Each year we email newly admitted and current College students and ask them for essay topics. We receive several hundred responses, many of which are eloquent, intriguing, or downright wacky.

As you can see by the attributions, some of the questions below were inspired by submissions by your peers.
