Acaricides Resistance in Ticks Sachin Kumar, Raquel Cossio-Bayúgar, Estefan Miranda-Miranda, Anil Kumar Sharma, Ashok Kumar Chaubey, 2025-02-25 This book discusses the significance of the chemical acaricides resistance in ticks as a global problem. Resistance is the ability of a tick population to survive and reproduce in the presence of a pesticide that would otherwise be lethal. This resistance threatens the efficacy of a range of acaricides used to control tick populations and consequently has a negative impact on the effectiveness of various pest management strategies. This resistance is caused by the selection of resistant tick genotypes and enhanced metabolic detoxification. To address this problem, the book explores an integrated approach that is needed to identify and manage tick populations that are resistant to acaricides as well as identify and develop novel acaricides that are effective against resistant tick species populations. It describes the complex issues associated with this phenomenon using cutting edge advancement in Bioinformatics and Bioinformation Discovery. The chapters provide current information pertaining to the types of protein protein complexes homodimers heterodimers multimer complexes in context with various specific and sensitive biological functions. The significance of such complex formation in human biology in the light of molecular evolution is also highlighted using several examples. The book serves as a valuable resource for students academicians and researchers studying about tick resistance. *SADC Gender Protocol*

2018 Barometer Morna, Colleen Lowe, Glenwright, Danny, 2018-08-20 The SADC Protocol on Gender and Development is the only sub regional instrument in the world that brings together global and continental commitments to gender equality in one instrument used to enhance accountability. The Southern African Gender Protocol Alliance is a network of country and regional NGOs that campaigned for the Protocol its updating implementation and tracking. Originally aligned to the Millennium Development Goals that expired in 2015 SADC Gender Ministers updated the Protocol and aligned it to the Sustainable development Goals SDGs Beijing Plus Twenty and the Africa Agenda 2063 in 2016. In July 2017 the Ministers adopted a Monitoring Evaluation and Results Framework MERF that is now the basis of reporting. 2018 marks the tenth anniversary of the SADC Gender Protocol and the Barometer. Moving with the times the Alliance has expanded the two yardsticks in the Barometer the SADC Gender and Development Index SGDI and the Citizen Score Card CSC. The Barometer incorporates many MERF and SDG indicators as well as its own unique measures of voice choice and control. The Barometer also introduces the Gender Responsive Assessment of Constitutions and Laws conducted by Alliance experts and networks around the region. A wealth of data insights and analysis awaits all readers of the Barometer that will also be made available online and in multi media formats. The SADC we want is one in which citizens engage step it up for gender equality and make sure we achieve Planet 50/50 by 2030. **Human Factors in Management and Leadership** Salman Nazir, 2023-07-19

Transformative Innovation for Sustainable Human Settlements Andrew Emmanuel Okem, Sithembiso Lindelihle Myeni, Tshepang Mosiea, 2024-11-18 This book uses the transformative innovation policy TIP as a lens to show how innovative processes practices and systems could address critical challenges and facilitate the delivery of sustainable human settlements in South Africa The TIP approach shows that addressing societal problems is not a function of a technical solution within a government department but one that requires partnership with multiple stakeholders The book argues that it is essential to understand and embrace innovation policy that is transformative and responds to the social and environmental needs at local provincial and national levels It demonstrates that innovation policy should focus on transforming the socio technical systems that demand embracing notions such as experimental delivery and learning directionality and inclusivity Chapters explore the ability of the state to transform its organisational processes and capacity to improve and align its planning implementation monitoring and evaluation systems to high levels of efficiency and sustainability targets Bringing together various theoretical and empirical perspectives on innovation in the context of sustainable human settlement this book will be of interest to scholars and students in the fields of Housing Human Settlements Architecture Public Policy Development Studies Civil Engineering Political Science and Public Administration

Identification and Citizenship in Africa Séverine Awenengo Dalberto, Richard Banégas, 2021-05-09 In the context of a global biometric turn this book investigates processes of legal identification in Africa from below asking what this means for the relationship between citizens and the state Almost half of the population of the African continent is thought to lack a legal identity and many states see biometric technology as a reliable and efficient solution to the problem However this book shows that biometrics far from securing identities and

avoiding fraud or political distrust can even participate in reinforcing exclusion and polarizing debates on citizenship and national belonging It highlights the social and political embedding of legal identities and the resilience of the documentary state Drawing on empirical research conducted across 14 countries the book documents the processes practices and meanings of legal identification in Africa from the 1950s right up to the biometric boom Beyond the classic opposition between surveillance and recognition it demonstrates how analysing the social uses of IDs and tools of identification can give a fresh account of the state at work the practices of citizenship and the role of bureaucracy in the writing of the self in African societies This book will be of an important reference for students and scholars of African studies politics human security and anthropology and the sociology of the state *Emerging Constitutionalism in South Sudan* Mark

Deng,2025-08-21 This book offers the first ever in depth analysis of the emerging constitutionalism in South Sudan and the challenges it faces The book critically analyses the constitution making processes that occurred in South Sudan between 2005 and 2011 finding among other things that there was a failure of constitutional discourse particularly in relation to the 2011 drafting process of the Transitional Constitution It goes on to analyse how the constitution is being implemented It finds that despite the clear division of powers and functions between the national government and the sub national governments what has emerged in South Sudan in the post constitution making period is a form of coercive centralism where the national government controls much of the political decision making process This has had serious implications for democracy constitutionalism and the rule of law Finally bearing in mind the failure in both how the transitional constitution was made and how it is being implemented the book undertakes a critical analysis of the proposed process for drafting a new constitution for South Sudan It identifies serious shortcomings and proposes how these could be addressed to enhance the process

University Of Pretoria 2015 Registration Introduction

In today's digital age, the availability of University Of Pretoria 2015 Registration books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of University Of Pretoria 2015 Registration books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of University Of Pretoria 2015 Registration books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing University Of Pretoria 2015 Registration versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, University Of Pretoria 2015 Registration books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing University Of Pretoria 2015 Registration books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for University Of Pretoria 2015 Registration books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals,

making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, University Of Pretoria 2015 Registration books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement.
