through revivalistic emotion and not by religious rationalism South Carolina ,2023-02-24 The Federal Writers Project
creates an image of South Carolina of years past All of us at one time or another have had a strong desire to be able to get
into a time machine and be transported magically to an earlier place and time Science has not yet produced for us such a
time machine but the Federal Writers Project FWP a division of the Works Progress Administration did produce for
prosperity guides to all of the old 48 states Using talented local researchers and writers the FWP created an image of
America fifty plus years ago A reprint of the original South Carolina The WPA Guide to the Palmetto State is divided into
three sections 19 essays on a variety of topics ranging from history to cookery detailed descriptions of the 11 towns in the
state that had populations of more than 10 000 and 21 remarkably detailed guided tours to all sections of the state In
addition to the original chapters there are two appendices updated highway numbers for each tour and a guide to getting off
the present Interstate Highway System and picking up the guided tours South Carolina s Guide is very much a product of its
times The essays and tours mince no words in describing the state s poverty or the reality of a world in which class and race
played major roles For those who have studied and taught South Carolina history the old Guide has been an indispensable
reference work Parts of it may be dated to some jaded modern eyes some phrases may be jarring to the post 1954 generation
However the original South Carolina The WPA Guide to the Palmetto State was what its cover claimed it to be It accurately
described the state as it was not as romantics wanted it to be Author List of Caroliniana in the University of South
