guides from one of the finest names in video retailing perfect for anyone with an eclectic taste in cinema Nicholas Love's Mirror and Late Medieval Devotio-Literary Culture David J. Falls,2016-03-31 Surviving in 59 complete manuscript versions few English texts of the late medieval period seem to have achieved the popularity of Nicholas Love's fifteenth century translation and adaptation of the Latin *Meditationes Vitae Christi* The Mirror of the Blessed Life of Jesus Christ The Mirror has received surprisingly little scholarly attention and is often contextualized in terms of its role in the theological conflict between English ecclesiastical orthodoxy and the teachings of heresiarch John Wycliff David Falls presents a new account of the text's history which de-centralises but does not disregard the influence of the Wycliffite controversy Falls interrogates preconceptions and investigates new possibilities for understanding the composition circulation function and use of Love's Mirror by examining both the textual modifications and additions made by Love in his adaptation of the Latin and places these alterations in context by examining individual copies of the Mirror The manuscript copies are read as both sites of literary consumption and nexuses of textual transition demonstrating that it was Love's ability to inscribe his work with functional diversity which explains the Mirror's popularity This book presents a nuanced picture not only of the Mirror's production circulation and function but also the dynamic and flourishing devotio literary culture of late medieval England in which Love's text operated *Practically Useless Information on Weddings* Norman Kolpas,Katie Kolpas,2005-04-05 The ultimate gift book for the bride her mother bridesmaids friends and the occasional groom Fascinating facts include the world's longest wedding ceremony shortest ceremony and most watched ceremony on television Also included is vital information on diamond engagement rings gift guidelines for each anniversary the significance of rice the meaning of flowers used in bouquets and the story behind traditions and sayings like something old something new The book will be equally popular as a gift and curiosity for the nearly wed or as a resource for those hard to find facts that provide the background on much of the traditional wedding lore A complete index provides access by topic Understanding Sport John Horne,Alan Tomlinson,Garry Whannel,1999 Understanding Sport introduces students to the central elements of a sociological and cultural analysis of sport It specifically examines sport in modern British society *THE LIFE OF SAMUEL JOHNSON - All 6 Volumes in One Edition* James Boswell,Grosvenor Osgood,2023-12-22 The compelling anthology THE LIFE OF SAMUEL JOHNSON All 6 Volumes in One Edition presents a comprehensive journey into the intricate life of one of the greatest literary figures of the 18th century Through a profound exploration of the overarching theme of intellectual discourse and human experience this collection imbibes the essence of enlightenment capturing both the grandeur and the struggles of Samuel Johnson's era The texts offer a range of literary styles from meticulous essays to explorative dialogues creating a tapestry that is by turns philosophical anecdotal and deeply personal This edition stands out for its inclusion of illustrative narratives that unveil not only Johnson's prodigious achievements but also the intimate aspects of his personality and beliefs The collaboration of authors James Boswell and Grosvenor Osgood lends the anthology an authoritative yet versatile perspective

blending insightful observations with rigorous historical and cultural context Boswell's keen ability to capture Johnson's voice and Osgood's expansive editorial framework collectively enrich this biographical masterpiece It aligns with the literary movements of the period providing a multi-faceted exploration of the enlightenment ideals and the burgeoning realm of lexicography This convergence of distinct authorial voices offers readers a panoramic view of the intellectual climate that shaped Johnson's life This anthology is an invaluable resource for readers and scholars alike offering a unique opportunity to delve into the multiplicity of perspectives styles and themes within a single volume Whether for its educational value or the profound insights into 18th century intellectual thought it fosters an essential dialogue that resonates with modern readers Each piece contributes to a dynamic and layered understanding of Samuel Johnson making it an indispensable asset for those seeking to explore the intricacies of a pivotal literary epoch
