Unlocking The Giver S Heart A Focus On Biblical Stewardship:

Unlocking the Giver's Heart Tom Savage,2014-12-10 Unlocking the Giver s Heart is a verse by verse study of four key biblical stewardship Scriptures The practices in this series can be presented in several different formats They may be presented as an individual study in a small group or a Sunday School classs In an effort to emphasize biblical stewardship it would be great for the lessons to be taught to the entire church or organization They were designed to be presented over four consecutive weeks during annual budget or stewardship emphasis time Alternatively they could be shared in two weekly sessions each year for two years As a teaching pastor I know how difficult it is to address the subject of tithing and giving However I have found that when the subject is presented properly whether to a small group or to the entire church the people receive a blessing as our Lord blesses those people His blessings are not the same for everyone yet He blesses all Thus the title of this series of lessons Unlocking the Giver s Heart It is my hope and prayer that this material will be helpful to you and to those whom you share it with and will result in the advancement of the kingdom for the glory of God As you read and or prepare these lessons to present to others may the Holy Spirit guide and enlighten you **Uniform of the**

Regardless of how much or little we have issues of money threaten to sidetrack us If we have a lot of money we fear losing what we possess We are tempted to put our hope in our wealth instead of God If we don't have so much we stress about not having enough to provide for our families and are often consumed with the desire for more Financial Faithfulness seeks to change your view of money by showing you how to use it in God's best interest When it comes to managing money this question is crucial What is required from me to be a faithful steward As you begin to see riches from a biblical perspective you can experience the financial freedom and peace of mind that everyone desires but few find Free study guides and other resources available at www.FinFaith.com Lutheran Evangelist, 1901 *The American Lutheran*, 1956 **Focus on the Giver, Not the Gift** Travis Moody, 2019-08-31 What if you could increase the money given to your church between 15 percent and 20 percent Well it can be done In fact we have done it at my home church for the last eight years in a row Over the last eight years The Life Church has been my experimental laboratory to test different stewardship strategies My experiments over the years have yielded ten successful strategies and just as many maybe even more to avoid These ten strategies have helped several other churches that I have consulted with over the last eight years Regardless of the size of your church the ten financial strategies unpacked in this book will help you create a culture of generosity in your church

Lane,2006-01-01 The goal of this book says author Charles Lane is to perform a dramatic rescue of stewardship freeing it from any connection whatsoever to paying the bills When the Bible talks about stewardship it almost always talks about the intimate connection between how a person handles financial matters and that person's relationship with God Stewardship is an intensely spiritual matter that lies close to a disciple's relationship with Jesus The book is designed especially for use in congregational planning and study Congregational stewardship leaders will come back to three foundational verbs ask thank tell over and over as they help individuals experience the joy of giving generously The author makes the convincing case that there is little in life today that can help a disciple grow in relationship with Jesus more than a solid intentional biblical stewardship **Becoming a**
