Forward! Lynn Elizabeth Walker, 2023-07-21 While there are many books containing essays on ordinary life from a spiritual or religious perspective there are only a few with a perspective grounded in the trans identity Moreover a number of books for or about trans people have to do with the exceptional aspects of life of individual trans folks This book offers the perspective of a trans identified clergy member in gaining greater understanding of ordinary life seen through the specific lens of her lived experience Forward is a series of essays addressing issues that might arise for trans women during their transition journey In general the focus is on such aspects of day to day living as religion philosophy society church people love alienation families aging and work

Depth Psychology, Cult Survivors, and the Role of the Daimon Linda R.

Quennec,2024-06-10 This book explores the possibilities that exist for navigating out of and away from multiple levels of oppression through memoir based research It considers how those raised in oppressive high demand communities colloquially referred to as cults can emancipate themselves from controls and expectations inculcated from early childhood and examines processes surrounding the psychological reclamation of self Exploring and metaphorically tending to an orienting psychological dynamic that the ancient Greeks related to as the daimon and using the perspectives of Jungian and post Jungian depth psychology the author investigates how subjects can reclaim agency and avoid excessive control over their thoughts attention and life s intentions They suggest that depth psychologically oriented modes can be used to this attunement and explore this notion through a study of memoirs of individuals who were raised in cults Suggesting a more aligned approach to working with varying levels of psychological constraint and utilizing a phenomenological hermeneutic study it will appeal to scholars and professionals in depth psychology and other psychological orientations as well as individuals who are interested in more deeply understanding the psychological mechanisms involved in leaving a high demand group or other oppressive situations

Women of Valor Karen E. H. Skinazi,2018-09-07 Honorable Mention for the Robert K Martin Prize 2019 Media portrayals of Orthodox Jewish women frequently depict powerless silent individuals who are at best naive to live an Orthodox lifestyle and who are at worst coerced into it Karen E H Skinazi delves beyond this stereotype in Women of Valor to identify a powerful tradition of feminist literary portrayals of Orthodox women often created by Orthodox women themselves She examines Orthodox women as they appear in memoirs comics novels and movies and speaks with the authors filmmakers and musicians who create these representations Throughout the work Skinazi threads lines from the poem Eshes Chayil the Biblical description of an Orthodox Woman of Valor This proverb unites Orthodoxy and feminism in a complex relationship where Orthodox women continuously question challenge and negotiate Orthodox and feminist values Ultimately these women create paths that unite their work passions and families under the framework of an Eshes Chayil a woman who situates religious conviction within her own power

Sexual Abuse in Religion Marta Trzebiatowska,Steve Bruce,2025-10-30 This book examines the complex and troubling relationship between religion and sexual abuse through a sociological lens Drawing on hundreds of examples spanning two centuries it offers a comparative analysis of abuse in religious versus secular contexts and investigates systematic differences across various religions From motives and opportunities to the organisational constraints that shield perpetrators the study uncovers patterns that highlight gender as a central factor shaping the dynamics of abuse and the challenges in addressing it The book explores two critical questions does sexual exploitation within religious or spiritual contexts differ significantly from its secular counterpart And do different religious traditions systematically foster or inhibit such misconduct While predatory behaviour is not unique to religion this study considers whether religious settings are particularly susceptible to abuse and whether the characteristics of such exploitation vary between faiths Using case studies from major world religions New Age spirituality

and predominantly Western contexts like the UK and USA the book delves into how religious authority and cultural silences create environments ripe for exploitation It also addresses false accusations contextualising how religious rivalries often weaponise claims of sexual misconduct This accessible yet rigorous study draws parallels with secular abuses and highlights the broader implications for institutions and communities With its analytical depth and clear presentation this book is essential reading for anyone seeking to understand the intersection of faith power and vulnerability in the context of sexual abuse

Regimes of Terror and Memory Manfred Henningsen, 2023-07-31 *Regimes of Terror and Memory* Beyond the Uniqueness of the Holocaust illustrates how convenient it has become in not recognizing other regimes of terror in recent history Manfred Henningsen compares the memory of Nazi Germany's macro criminal record with the remembrances of Stalin's Russia and Mao's China the Japanese Empire Pol Pot's Cambodia Sukarno's Indonesia He discusses the cultural reasons for these memory distortions in the West and in the societies that have experienced these macro crimes of genocidal violence Henningsen has embedded his search in an autobiographical context that begins with his birth upbringing and education in Germany from 1938 to 1969 continues after his move to Hawaii in 1970 in the American political culture and becomes more realized through extensive traveling in Europe Asia and Africa

All Religion Is Inter-Religion Kambiz Ghanea-Bassiri, Paul Robertson, 2019-07-11 *All Religion Is Inter-Religion* analyses the ways inter religious relations have contributed both historically and philosophically to the constructions of the category of religion as a distinct subject of study Regarded as contemporary classics Steven M Wasserstrom's *Religion after Religion* 1999 and *Between Muslim and Jew* 1995 provided a theoretical reorientation for the study of religion away from hierophanies and ultimacy and toward lived history and deep pluralism This book distills and systematizes this reorientation into nine theses on the study of religion Drawing on these theses and Wasserstrom's opus more generally a distinguished group of his colleagues and former students demonstrate that religions can and must be understood through encounters in real time and space through the complex relations they create and maintain between people and between people and their pasts The book also features an afterword by Wasserstrom himself which poses nine riddles to students of religion based on his personal experiences working on religion at the turn of the twenty first century

Bringing Up Kids When Church Lets You Down Bekah McNeel, 2022-10-11 This book is about the various places and ways that uncertainty shows up for parents who having left or altered the faith they once knew now must decide what to give their kids It's about church attendance Bible memorization school choices and sex talks It's about forging new paths in racial justice and creation care while the intractable voices in your head call you a pagan Marxist for doing so After the spectacular implosion of her ministry career Bekah McNeel was left disillusioned and without the foundation of certainty she had built her life on But rather than leaving the Christian faith altogether she hung out around the edges began questioning oversimplified categories of black and white that she had been taught were sacred and became comfortable living in gray areas while starting a new career in journalism Then she had kids From the moment

someone asked if she was going to have her first child baptized Bekah began to wonder if the conservative evangelical Christianity she grew up with was really something she wanted to give her children That question only became more complicated when she had her second child months before White evangelicals carried Donald Trump to victory in the 2016 presidential election Soon Bekah found that other parents were asking similar questions as they broke with their fundamentalist religious upbringing and took on new values Could they raise their kids to live with both the security of faith and the freedom of open mindedness To value both Scripture and social justice To learn morality without shame In *Bringing Up Kids When Church Lets You Down* Bekah gathers voices from history scholarship and her own community to guide others who like her are on a quest to shed the false certainty and toxic perfectionism of their past to become better healthier parents while still providing strong spiritual foundations for their children She writes with humor and empathy providing wise reflections but not glib answers on difficult parenting topics while reminding us that we are not alone even when we break away from the crowd

Salvage Poetics Sheila E. Jelen, 2020-04-14 An interdisciplinary approach to American Jewish ethnic identity in post Holocaust America This volume explores how American Jewish post Holocaust writers scholars and editors adapted pre Holocaust works such as Yiddish fiction and documentary photography for popular consumption by American Jews in the post Holocaust decades These texts Jelen argues served to help clarify the role of East European Jewish identity in the construction of a post Holocaust American one In her analysis of a variety of hybrid texts those that exist on the border between ethnography and art Jelen traces the gradual shift from verbal to visual Jewish literacy among Jewish Americans after the Holocaust S Ansky s ethnographic expedition 1912 1914 and Martin Buber s adaptation and compilation of Hasidic tales 1906 1935 are presented as a means of contextualizing the role of an ethnographic consciousness in modern Jewish experience and the way in which literary adaptations and mediations create opportunities for the creation of folk ethnographic hybrid texts *Salvage Poetics* looks at classical texts of the American Jewish experience in the second half of the twentieth century such as Maurice Samuel s *The World of Sholem Aleichem* 1944 Abraham Joshua Heschel s *The Earth Is the Lord s* 1950 Elizabeth Herzog and Mark Zborowski s *Life Is with People* 1952 Lucy Dawidowicz s *The Golden Tradition* 1967 and Roman Vishniac s *A Vanished World* 1983 alongside other texts that consider the symbiotic relationship between pre Holocaust aesthetic artifacts and their postwar reframings and reconsiderations *Salvage Poetics* is particularly attentive to how literary scholars deploy the notion of ethnography in their readings of literature in languages and or cultures that are considered dead or dying and how their definition of an ethnographic literary text speaks to and enhance the scientific discipline of ethnography This book makes a fresh contribution to the fields of American Jewish cultural and literary studies and art history

Forbidden Jordan D. Rosenblum, 2024-10-08 Winner of the 74th National Jewish Book Award The Jane and Stuart Weitzman Family Award for Food Writing and Cookbooks A surprising history of how the pig has influenced Jewish identity Jews do not eat pig This not always true observation has been made by both Jews and non Jews for more than three thousand years and is rooted in biblical law Though the Torah prohibits eating pig meat it is not singled out more than other food prohibitions Horses rabbits squirrels and even vultures while also not kosher do not inspire the same level of revulsion for Jews as the pig The pig has become an iconic symbol for people to signal their Jewishness non Jewishness or rebellion from Judaism There is nothing in the Bible that suggests Jews are meant to embrace this level of pig phobia Starting with the

Hebrew Bible Jordan D Rosenblum historicizes the emergence of the pig as a key symbol of Jewish identity from the Roman persecution of ancient rabbis to the Spanish Inquisition when so called Marranos Pigs converted to Catholicism to Shakespeare s writings to modern memoirs of those leaving Orthodox Judaism The pig appears in debates about Jewish emancipation in eighteenth century England and in vaccine conspiracies in World War II rallying cries when many American Jewish soldiers were eating ham for Uncle Sam in conversations about pig sandwiches reportedly consumed by Karl Marx and in recent deliberations about the kosher status of Impossible Pork All told there is a rich and varied story about the associations of Jews and pigs over time both emerging from within Judaism and imposed on Jews by others Expansive yet accessible Forbidden offers a captivating look into Jewish history and identity through the lens of the pig [Ladino on the Internet](#) Carlos Yebra López,2024-12-20 Ladino on the Internet constitutes the first critical and systematic account written in English on the online revitalisation of Ladino This book conclusively demonstrates that nowadays the global Ladino speaking community connects first and foremost online which calls for a full comprehensive examination of the web based development of the Sephardic diaspora including that of Ladino as a qualitatively different stage termed Sepharad 4 in this monograph Drawing upon the methodological framework of Revivalistics and including a comparative analysis with similar initiatives apropos Yiddish this volume analyses case studies including YouTube digital archives social media platforms language learning apps online schools and Ladino on Netflix plus on Web 3 0 platforms This monograph will appeal to scholars and postgraduate students seeking to familiarise themselves with the use of technological tools to further the revitalisation of endangered languages such as Ladino The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY 4 0 license

Sounds of a New Generation Deborah Wallrabenstein,2017-10-15 This book offers insight into the approaches of a new generation of Jewish American writers Whether they reimagine their ancestors shtetl life or invent their own kind of Jewishness they have a common curiosity in what makes them Jewish Is it because most of them are third generation Americans who don t worry about assimilation as their parents generation did If so how does the writing of recent Jewish immigrants from the former Soviet Union fit into the picture Unlike Irving Howe predicted in 1977 Jewish American literature did not fade after immigration It always finds new paths drawing from the vast scope of Jewish life in America
