a superhero Clive's adventures growing up in the suburbs of post war Sydney are a hair raising and uproarious evocation of a lost world I was born in 1939 The other big event of that year was the outbreak of the Second World War but for the moment that did not affect me James cannot find it within himself to write a dull paragraph The Times With an introduction from P J O'Rourke journalist satirist and author of *Holidays in Hell* *Unreliable Memoirs* is the first book of memoir from Clive James Continue his story with *Falling Towards England* Always Unreliable Clive James, 2001 Clive James sharp brilliant and outrageously funny memoirs together in one volume In *UNRELIABLE MEMOIRS* we meet a very young Clive James One dressed in shorts His hilarious adventures growing up in post war Sydney are deliciously recounted in this the first volume of his memoirs Next our hero sets sail for London where he hopes to find Success without compromising his Ideals *FALLING TOWARDS ENGLAND* tells how having happily failed to land a suitable job Clive moves into a little bed and breakfast in Swiss Cottage where he thoughtfully practises the Twist anticipates the poetical masterpieces yet to be composed and worries a little about his wardrobe *MAY WEEK WAS IN JUNE* sees Clive at Cambridge University where he enthusiastically involves himself in a wide variety of pursuits so long as they aren't on the syllabus and happen to be female Then during May week not only in June but also two weeks long he marries and the rest is history *The Complete Unreliable Memoirs: Volume Two* Clive James, 2022-04-28 **May Week was in June** Clive James, 1990 Clive James Reads His Unreliable Memoirs Clive James, North Face of Soho Clive James, 2009-09-30 From Fleet Street to the television *North Face of Soho* is the fascinating and hilarious fourth volume of memoir from much loved author poet and broadcaster Clive James James delivers his gags with honed elegance Sunday Times It is 1968 Newly married dressed in the style of the times a frenzy of bad judgement Clive James is leaving the cloistered world of Cambridge academia and setting his sights once again on the lights of literary London Luckily for him and us this crack at the big city would go rather better than last time Still writing songs directing sketch shows and trying to break into the movie business with very mixed success Clive eventually lands a weekly TV column at the Observer finds his metier and rapidly becomes a household name Credited with inventing a genre Clive turns his attention to the previously critically disregarded medium of television to comment on the entire culture Through the Seventies and early Eighties from Fleet Street to Hollywood from Russian department stores to Paris fashion shows this is the hilarious entertaining and honest story of a life lived to the full *North Face of Soho* is the fourth book of memoir from Clive James Continue his story with *The Blaze of Obscurity* **The Blaze of Obscurity** Clive James, 2009 For many people Clive James will always be a TV presenter first and foremost and a writer second this despite the fact that his adventures with the written word took place before during and after his time on the small screen Nevertheless for those who remember clips of Japanese endurance gameshows and Egyptian soap operas Clive reinventing the news or interviewing Hefner and Hepburn Polanski and Pavarotti Clive's Postcards from Kenya Shanghai and Dallas or Clive James Racing Driver Clive's rightful place does seem to be right there on the box in our homes and almost one of the family However you think of

him though and whatever you remember him for *The Blaze of Obscurity* is perhaps Clive's most brilliant book yet Part Clive James on TV and part Clive James on TV it tells the inside story of his years in television shows Clive on top form both then and now and proves once and for all that Clive has a way with words whatever the medium *Falling Towards England* Clive James, 1991 When London began to swing in the early sixties Clive James was there He was also broke Arriving in London from Sydney he resolved to engage himself in low paid menial work by day and compose poetical masterpieces by night **Unreliable Memoirs by Clive James** Brian Elkner, 1985 **Reliable Essays** Clive James, 2009-09-30 Hilarious and trenchant *Reliable Essays* collects the most memorable works of criticism and travel writing from well loved author and broadcaster Clive James With an introduction by Julian Barnes An intellectual as well as a joker a wise man as well as a wit Observer Whether discussing arts politics or culture Clive James opens up new avenues for thought whilst never being less than wonderfully entertaining From his Postcard from Rome to his observations on Margaret Thatcher and his insights into Heaney Larkin and Orwell Clive is equally at home discussing the nature of celebrity and considering serious political matters With brilliantly funny examinations of characters like Barry Humphries Germaine Greer and Marilyn Monroe this is a thoughtful analytical and thoroughly enjoyable selection of Clive at his best I immensely enjoyable Telegraph Clive James 1939-2019 was a broadcaster critic poet memoirist and novelist His much loved influential and hilarious television criticism is collected in *Clive James On Television* His encyclopaedic study of culture and politics in the twentieth century *Cultural Amnesia* remains perhaps the definitive embodiment of his wide ranging talents as a critic Praise for Clive James The perfect critic A O Scott New York Times There can't be many writers of my generation who haven't been heavily influenced by Clive James Charlie Brooker A wonderfully witty and intelligent writer Verity Lambert **The River in the Sky** Clive James, 2022-09 One of the most important and influential writers of our time Sunday Times Clive James has been close to death for several years and he has written about the experience in a series of deeply moving poems In *Sentenced to Life* he was clear sighted as he faced the end honest about his regrets In *Injury Time* he wrote about living well in the time remaining focusing our attention on the joys of family and art and celebrating the immediate beauty of the world At the opening of *The River in the Sky* a book length poem we find James in ill health but high spirits Although his body traps him in his Cambridge house his mind is free to roam *The River in the Sky* takes us on a grand tour of the fragile treasures of his life Animated by powerful recollections James presents a flowing stream of vivid images He moves from emotionally resonant personal moments such as listening to jazz records with his future wife to unforgettable encounters with all kinds of culture Beethoven's Ninth Symphony sits alongside YouTube's vast cosmopolis As ever with James he shares his passions with enormous generosity making brilliant and original connections and fearlessly tackling the biggest questions the meaning of life and how to live it In the end what emerges from this autobiographical epic is a soaring work of exceptional depth and overwhelming feeling a new marvel for the modern age *Falling Towards England* Clive James, 1986 The author recounts

Clive James On Television Clive James, 2017-04-06 A hilarious journey through the life and television of the 1970s and 80s this nostalgic time capsule collects the treasured columns of Clive James The funniest writer in Britain Sunday Times Clive James is the man who created TV criticism as a genre bringing to it all the breadth of reference intelligence and delight that he brought to more conventionally highbrow art forms At a time when there were only three TV channels in the UK and a primetime show might gather a simultaneous audience of 20 million people he was commenting on the hitherto overlooked major cultural phenomenon of the era From the Olympics to the fall of Richard Nixon from the Eurovision Song Contest to the rise of Thatcher from endless Star Trek reruns to the election of Reagan and from Charlie's Angels to Michael Foot's Labour Party Clive James's inimitable commentary brought sense and humour to his huge audience In Clive James On Television are collected all three volumes of the brilliant uniquely Jamesian humour that saw hundreds of thousands of devoted fans turn to his column each Sunday morning It is together a hilarious insightful portrait of the time whether or not you were there the first time around His contribution to the art and enjoyment of TV criticism over the past ten years has been immense His work is deeply perceptive often outrageously funny and always compulsively readable British Press Awards on Clive James Winner Critic of the Year 1981 This book combines the three volumes of Clive's collected columns Visions Before Midnight The Crystal Bucket and Glued To The Box Clive James 1939 2019 was a broadcaster critic poet memoirist and novelist His much loved influential and hilarious television criticism is available both in three individual volumes and collected in Clive James On Television Praise for Clive James The perfect critic A O Scott New York Times There can't be many writers of my generation who haven't been heavily influenced by Clive James Charlie Brooker A wonderfully witty and intelligent writer Verity Lambert

New York Magazine, 1981-04-13 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea

Sentenced to Life Clive James, 2015-12-31 There is an inevitable sadness to this moving collection This being James there are also moments of

zinging energy and a sense of fun James will remain in the present tense as those Japanese Maple s leaves continue to turn to flame Rebecca K Morrison Independent In this new collection of technically and emotionally heart stopping poems Spectator including Japanese Maple which was published in The New Yorker to great acclaim Clive James looks back over an extraordinarily rich life with a clear eyed and unflinching honesty There are regrets but no trace of self pity in these verses which for all their grappling with death and his current illness are primarily a celebration of what is treasurable and memorable in our time here Again and again James reminds us that he is not only a poet of effortless wit and lyric accomplishment but also an immensely wise one who delights in using poetic form to bring a razor sharp focus to his thought Miraculously these poems see James writing with his insight and energy not only undiminished but positively charged by his situation The poems of Sentenced to Life represents a career high point from one of the greatest literary intellects of our age
