

The background of the entire image is a soft, orange-toned photograph. It depicts a person walking away from the viewer down a path that leads into a misty or foggy landscape. Bare, leafless trees are visible in the background, their branches creating a delicate web against the hazy sky. The overall mood is contemplative and somewhat melancholic.

The Hell of War Comes Home Owen W. Gilman Jr.,2018-02-09 Owen W Gilman Jr stresses the US experience of war in the twenty first

century and argues that wherever and whenever there is war there will be imaginative responses to it especially the recent wars in Afghanistan and Iraq Since the trauma of September 11 the experience of Americans at war has been rendered honestly and fully in a wide range of texts creative nonfiction and journalism film poetry and fiction These responses Gilman contends have packed a lot of power and measure up even to World War II s literature and film Like few other books Gilman s volume studies these new texts among them Kevin Powers s debut novel *The Yellow Birds* and Phil Klay s short stories *Redeployment* along with the films *The Hurt Locker* *American Sniper* and *Billy Lynn s Long Halftime Walk* For perspective Gilman also looks at some touchstones from the Vietnam War Compared to a few of the big Vietnam books and films this new material has mostly been read and watched by small audiences and generated less discussion Gilman exposes the circumstances in American culture currently preventing literature and film of our recent wars from making a significant impact He contends that Americans inclination to demand distraction limits learning from these compelling responses to war in the past decade According to Gilman where there should be clarity and depth of knowledge we instead face misunderstanding and the anguish endured by veterans betrayed by war and our lack of understanding

Brennan USMC (Ret.), Finbarr O'Reilly, 2017-08-22 A majestic book Bessel van der Kolk MD author of *The Body Keeps the Score* A unique joint memoir by a U S Marine and a conflict photographer whose unlikely friendship helped both heal their war wounded bodies and souls The dueling piano spirit of *SHOOTING GHOSTS* works because its authors are so committed to transparency admitting readers into the dark crevices of their isolation Wall St Journal War tears people apart but it can also bring them together Through the unpredictability of war and its aftermath a decorated Marine sergeant and a world trotting war photographer became friends their bond forged as they patrolled together through the dusty alleyways of Helmand province and camped side by side in the desert It deepened after Sergeant T J Brennan was injured during a Taliban ambush and both returned home Brennan began to suffer from the effects of his injury and from the fallout of his tours in Iraq and Afghanistan But war correspondents experience similar rates of posttraumatic stress as combat veterans The causes can be different but guilt plays a prominent role in both For Brennan it s the things he s done or didn t do that haunt him Finbarr O Reilly s conscience is nagged by the task of photographing people at their most vulnerable while being able to do little to help and his survival guilt as colleagues die on the job Their friendship offered them both a shot at redemption As we enter the fifteenth year of continuous war it is increasingly urgent not just to document the experiences of the battlefield but also to probe the reverberations that last long after combatants and civilians have returned home and to understand the many faces trauma takes *Shooting Ghosts* looks at the horrors of war directly but then turns to a journey that draws on our growing understanding of what recovery takes Their story told in alternating first person narratives is about the things they saw and did the ways they have been affected and how they have navigated the psychological aftershocks of war and wrestled with reforming their own identities and moral centers While war never really ends for those who ve lived

through it this book charts the ways two survivors have found to calm the ghosts and reclaim a measure of peace
