Unseen The Heights 1 Lauren Stewart:

Unseen Lauren Stewart, 2014-05-21 Job security isn't something Addison is all that concerned with. Death, however, is a major concern. After Addison finds a nearly dusted vampire in the garbage outside her building, her ability to stay off the paranormal radar is deadlier than the vampire. Almost as dead as she'll be if anyone thinks she put him there. Even though she's basically shoving a stake into her own chest, she has no other choice but to get him indoors before he dusts in front of a human. And just when she thinks life couldn't possibly get any worse, she finds out who he is: As vampire king and Prime to all races of supernatural beings in this zone, Rhyse gets what he wants when he wants it. But after being ambushed, he wakes up chained to a bed with a hole in his chest and unfortunately needs help to discover who tried to kill him. His only ally is his captor, someone unaware she has the power to bring down their entire world. While a prophesized war brews in the Heights, Addison and Rhyse must decide which carries more risk: trusting someone who could destroy you or trusting someone who could love you.

Unearthed Lauren Stewart, 2015-02 What would you give up for freedom? Everything. Even if it wasn't yours. For three years, Keira lived in hell on earth, kept and tortured by a psychopath. He should've killed her. Because now she's looking for payback to see his face when she shoves a stake into his chest to feel his dust under her boot. Then she'll finally be free of everything but the memories, scars, and nightmares. Unfortunately, when a demon starts hunting the same prey, Keira's life becomes less about getting revenge and more about fighting temptation. For three tours above the earth's crust, Davyn has been as close to heaven as a demon can be. In a few weeks, he'll go home to be reforged, stripped of all the humanity he's accumulated and reminded of exactly what he is. Of course, in the depths of hell, nobody finds themselves through group therapy and happy pills. It's not all bad news, though, before he goes, at least he gets to kill a vampire. Maybe a human, too, if that stubborn little hunter keeps getting in his way. After all, a nice ass can only buy so much of Davyn's patience. Two people from opposite sides of a war will discover the price of freedom and what they're willing to pay for it. But in the Heights, nothing is ever fair. For something they both want, one of them will pay with their eternity. The Heights not only protects the secrecy of vampires, shifters, demons, angels, and other supernaturals; it protects the humans unaware of the world hidden within their own.
