Unspoken Sermons George MacDonald, 1906 Unspoken Sermons George MacDonald, 2007-12-01 British author GEORGE MACDONALD 1824 1905 was best known in his day and best remembered today as a novelist but he was also a preacher of some renown in Victorian England This new edition contains all three volumes of Macdonald s Unspoken Sermons originally published between 1867 and 1889 including The Child in the Midst The Consuming Fire It Shall Not Be Forgiven The Hands of the Father The Cause of Spiritual Stupidity The Fear of God Self Denial The Displeasure of Jesus and many others **Unspoken Sermons** George MacDonald, 2016-08-26 In this collection of three volumes Dr MacDonald writing in a simple graphic interesting way deals with various modern phases of religious belief At a time when there is so much inquiry and unrest among thinking people the frank discussions and strong arguments of this book will be especially pertinent and helpful In George MacDonald s company the very air seems impregnated with love purity and tenderness We seem to be under an Italian sky and the harshness whether of individual or national temperament is wonderfully checked A loving heart reveals to us the heart which is the fountain of love and sends us away ashamed of our harsh and bitter feelings and praying to be able to love more both Him who is love and those who ought never to be dear to us for his sake Dr Guthrie s Sunday Magazine It abounds in passages of spiritual and moral analysis Here Mr MacDonald is alone and unapproached by any living and so far as we know by any dead writer Illustrated Times It these days of overstrained intellectual activity when at the same time an imperative need is felt for human and intimate readings of Scripture mysteries his manner of teaching is most effective It is not only exhilarating to come in contact with such fresh views of Scripture as we here receive from Mr MacDonald it is blissful Nonconformist How unlike the conventional sermon was his discourse He told his hearers of what he knew It was no piece of brocaded oratory no set theological essay it was a simple yet most profound message from a human soul to his brother souls Here was one you felt who had been on the Mount of Vision and who had seen and heard things beyond mortal ken You forgot mere logic you were rapt into an ampler ether a sublimer air than you were wont to breathe every day The so called Unspoken Sermons cannot impart the striking personality of the preacher but they will convey to those who never heard him somewhat of his searching spiritual power It is a happy thing for us that so noble a teacher and so happy and inspired an artist has both caught up before they died out vanishing aspects of Scottish life and in so doing has wrought out noble lessons and morals for us all The Spectator True and beautiful thought musically and eloquently expressed Pall Mall Gazette The union of the practical and the mystical elements in Dr MacDonald s mind makes him a rare preacher of religion his exhortations to righteousness being based upon the deepest foundation of a spiritual faith The Literary World The Unspoken Sermons of George MacDonald are a rare luxury Among the common fruits of the Garden of God they are apples of gold They smite the eye with their beauty they give the conception of an almost ideal purity of motive and purpose and of a mind living already the next door to heaven British Quarterly Review CONTENTS UNSPOKEN SERMONS SERIES ONE THE

MacDonald,2007-09 MacDonald rejected the doctrine of penal Substitutionary atonement as put forward by John Calvin
which argues that Christ has taken the place of sinners and is punished by God in their place believing that in turn it raised
serious questions about the character and nature of God Instead he taught that Christ had come to save people from their
sins and not from a Divine penalty for their sins The problem was not the need to appease a wrathful God but the disease of
cosmic evil itself Unspoken Sermons, Series I, II, and III George MacDonald,2018-02-06 These Ears of Corn gathered and

rubbed in my hands upon broken Sabbaths I offer first to my Wife and then to my other Friends THE CHILD IN THE MIDST
And he came to Capernaum and being in the house he asked them What was it that ye disputed among yourselves by the way
But they held their peace for by the way they had disputed among themselves who should be the greatest And he sat down
and called the twelve and saith unto them If any man desire to be first the same shall be last of all and servant of all And he
took a child and set him in the midst of them and when he had taken him in his arms he said unto them Whosoever shall
receive one of such children in my name receiveth me and whosoever shall receive me receiveth not me but him that sent me

exploration of Christian spirituality through a series of meditative discourses. Reflecting a unique blend of poetic elegance and theological depth, these sermons transcend traditional expository preaching. MacDonald skillfully marries metaphor and storytelling, inviting readers into a contemplative engagement with the teachings of Christ. The themes of love, redemption, and the nature of divinity resonate throughout, challenging the reader to internalize and relate to the divine in personal and transformative ways, situating the work within the Victorian context that questioned both faith and reason.

George MacDonald, a luminary of the Victorian literary landscape, was deeply influenced by his experiences as a pastor and his friendships with contemporaries such as Lewis Carroll and Mark Twain. His innovative approach to faith and literature was inspired by his own struggles with the limitations of conventional theology. MacDonald's belief in the power of imagination and the written word as vehicles for spiritual truth is evident throughout this collection, granting him a unique voice in the canon of Christian literature.

Unspoken Sermons is an essential read for anyone seeking a deeper understanding of spiritual truths beyond mere doctrine. Readers will find within its pages a wealth of wisdom that invites reflection and conversation, making it a valuable resource for both personal growth and scholarly examination. MacDonald's ability to convey profound insights with warmth and accessibility ensures that this work remains relevant in contemporary discussions on faith and spirituality.

Sermons on Evil-Speaking Isaac Barrow, 2019-12-04

In *Sermons on Evil Speaking*, Isaac Barrow tackles one of the most insidious moral failings of his time: the act of speaking ill of others. Barrow's sermons serve as profound reflections on the ethical and spiritual implications of slander, gossip, and malicious speech. His eloquent prose is marked by a blend of scriptural analysis and philosophical inquiry, employing a didactic style that invites readers to engage deeply with the moral fabric of their speech.

Contextually, Barrow's work emerges from the tumultuous socio-religious landscape of 17th-century England, where conflicts of personal and public morality were fervently debated, highlighting the relevance of ethical discourse in personal and communal life. Isaac Barrow, a prominent theologian and mathematician, was influenced by the intellectual currents of his time, including the Puritan emphasis on personal piety and moral integrity. His background in the Anglican tradition and his exposure to the philosophical thought of his contemporaries shaped his understanding of the power of language and its moral consequences.

Barrow's education and pastoral experience endowed him with a unique perspective on how communities navigate the complexities of human relationships, further fueling his passion for advocating moral discourse. This book is recommended for readers interested in moral philosophy, theology, and the power of language. Barrow's insightful examination of the dangers of evil speaking not only serves as a guide for personal conduct but also encourages readers to reflect on the broader implications of their words in society.

Engaging with *Sermons on Evil Speaking* will enrich your understanding of ethical communication and inspire a more conscientious approach to discourse.
