The Wild Woman's Way Michaela Boehm, 2021-11-09 Discover how to create and enjoy a pleasure-filled and meaningful life with this practical tantra handbook for the high-achieving modern woman. For women today achieving a successful career, a fulfilling romantic relationship, and a rewarding personal life can feel like opposing goals leaving their deepest yearnings just beyond reach. It has even become difficult to enjoy the simplest pleasures of our lives. We are stuck in go mode, damaging our romantic relationships, pleasure, and creativity. But what if there were a way to experience the simplest pleasures of our lives on a deeper level, freeing the body and psyche from these damaging patterns? Beyond our current stereotypes about femininity lies the ancient wisdom of the Wild Woman archetype, a model of building a feminine body intelligence. By embodying this archetype and using tantra not just in the bedroom but also to build intimate connections to our senses and physical movements, bringing bliss to smaller or more mundane activities like taking a sip of tea or walking down the street, we can break harmful psychological patterns. In *The Wild Woman's Way*, Michaela Boehm shares practical rituals and exercises drawn from years of experience as a celebrity relationship and life counselor and an expert in tantric yoga. She reveals the power of different types of touch while also training you in forms of meditation and stretching that increase activity and sensual pleasure. Soon you will learn to switch effortlessly between the aggressive go mode required to compete successfully at work and the feminine flow mode of softness and receptivity. By harnessing the duality of the Wild Woman, you will attract and inspire meaningful relationships with romantic partners, your own body, and with life itself.
