Just A Kiss Samantha Lind,2022-01-05 It all started with just a kiss The first was ten years ago in high school Our second was in a bar on the dance floor We agreed to keep things casual But we were like a fire burning behind closed doors Those sparks had me wanting more When I took a shot in the dark and asked for more it brought us to the ultimate crossroads Do we do things right with just a kiss goodbye Or do we do things right with a kiss goodnight **Indianapolis Eagles: The First Period** Samantha Lind,2020-10-14 The Indianapolis Eagles Set One contains the first three full length novels from author Samantha Lind s best selling Indianapolis Eagles Series JUST SAY YES What will it take for her to Just Say Yes Scott Taylor has a perfect life He gets to fulfill his dream of playing professional hockey and has a loving family and a tight group of friends But the one thing missing in his life is a partner to come home to He knows exactly who he wants to fill that position the only woman he has ever loved The one who got away who constantly consumes his every thought What it would take to get her to Just Say Yes to a second chance Becca Phillips is an independent woman who has made her career as an ER nurse a priority in her life She has a loving family and a best friend by her side but she can t seem to get over her first love Scott Insecurities led her to break up with him years ago when he started climbing the ranks in professional hockey and for eight years Becca has avoided Scott when he returns home each summer Can she overcome her fears and allow love back into her life All she has to do is Just Say Yes to the one and only man she has ever loved SCORING THE PLAYER Cocky man whose player Those are all ways I have been described by the media and countless women Are they accurate Possibly But that s all I let the media see of me Brian Kelly defensive player for the Indianapolis Eagles Hockey team I have no intentions of settling down and changing the media s perception of me I can t tell if women are after me for my bank account the status symbol of being with a professional athlete or if they really want me for me Then I meet her The one woman who doesn t let my charm affect her or cause her to jump directly into my bed Can I possibly change my ways and settle down Grounded selfless giving Those are all the ways my family and friends have described me Are they right Possibly But I m so much more and need some passion and excitement in my life My best friend is moving on and I want that someone special to share all that life has to offer Let it be known that I Kinley Williams want the right someone special So why did he have to crash into me The one man who is so clearly wrong for me Then again he doesn t seem like anything the tabloids claim him to be So is he really all that wrong PLAYING FOR KEEPS Friends with benefits it never works Someone always ends up wanting more What happens when both want more but neither will tell the other Richard Murphy has been in the NHL for fifteen years playing the game he loves But with retirement looming in the next few years he s ready to settle down and start a family There s only one woman he wants that with but she s put him firmly into the friends with benefits category Can he change her mind and heart and prove to her he s playing for keeps Madison O Neal has been a lover of sports since she was young She and her dad bonded over them both during and after her mother lost her battle with breast cancer Her love of sports led

to a successful career as a sports agent As much as she loves her job what she really wants is a family and someone to call her own But the one man she s head over heels in love with has her in the friends with incredible benefits category Can Madison and Richard find their way through the murky waters of friendship and become the lovers they secretly want to be

**Nothing Bundt Forever** Samantha Lind,2022-07-15 Battered Broken Discarded When the hard truths of my ex husband were exposed my world and that of our kids changed forever We were tossed away like yesterday s trash by the man that was supposed to protect and cherish us With my life in tatters I had to stay strong I had to be the support for my kids I had to show them that we could rise above so I did the one that brought me peace I baked I never expected to trust a man again but fate had other plans The moment he walked into my bakery everything changed It wasn t just my life but that of my kids as well He lifted us from rock bottom and helped us heal Loved Cherished Appreciated Indianapolis Eagles: The Second Period Samantha Lind,2022-09-28 The Indianapolis Eagles Set Two contains the fourth fifth and sixth full length novels from USA TODAY Bestselling author Samantha Lind s best selling Indianapolis Eagles Series Protecting Her Heart Laura I believed in the fairytale The Happily Ever After The till death do us part fantasy little girls grow up believing in Unfortunately for me my happy ending was divorce and learning to find myself all over again I was done with men and relationships or so I thought until a stubborn hockey player was determined to show me what love could really be But could I fall for the fairytale a second time and trust that he would protect my heart Mark From the moment I laid eyes on her I knew she was made for me She was broken and I was determined to put her back together again I was here to prove she could have that fairytale love story after all To show her someone else can protect her heart and love her unconditionally Now I just have to convince her that someone is me Against The Boards Reese Blackwood I m called America s sweetheart They say I have the voice of an angel I almost gave all that up thanks to a traumatic experience at the start of my career Instead of letting it define me I chose to rise above I showed everyone what a woman on a mission could accomplish and now I m living my dream After one chance meeting my entire world changes Austin is every woman s fantasy and he wants me While the attraction is there for me as well I don t need any distractions right now Austin Jones Focused Driven I m the man I am today because I never let the idea of settling down disrupt being the best I can during my hockey career But then Reese floats into my life and everything changes and now all I want to do is pin her against the boards They say opposites attract You can t get more opposite than Country Music s hottest female singer and a hockey player from Canada With competing travel schedules our instant attraction appears to be doomed from the start Can it really be love Or is it just a hot ice melting fling The First Intermission The core group of friends who found their happy endings are back still loving hockey almost as much as their women Now four years later the Eagles find themselves in the finals with home ice advantage and on the cusp of winning the Stanley Cup once again It all started with a second chance for Becca to just say yes to forever And is Kinley still living the dream after scoring the player What does life have in store for Madison and Richard now that they decided playing for keeps
