of Time Stan Rogers, 2010-08-20 I like to examine the dark side of life through my writing Whether it is through my novels or my poetry I find I prefer the walk along the dark side of the road over the heart lifting sunnier side This Anthology is a walk along that road although it does include lighter moments and the occasional funny aside Apart from the poetry in this Anthology you will also find views of life and in particular my antipathy towards organised religion alongside a couple of very short children's stories So please read my Anthology It will make you smile I hope as well as make you cry I have also written and published one novel so far entitled LOVE SEX AND TIME TRAVEL I always point out that it is not a science fiction novel as such There are no time machines aliens or spaceships in it but it is rather a bitter sweet love story again examining the darker side of love and life **Until The End of Time** Melanie Schuster, 2003-03-01 When Renee Kemp falls in love with her best friend Andrew Bernard Cochran she is forced to confront her painful past in order to give herself freely to the wonderful man who has stolen her heart Original **Until the End of Time** Mbali Dlamini, 2019-10-18 The book tells a story of a girl who was in love but she ended up losing everything Her family was complicated She lost her parents in the game of love but she never gave up on herself From Now Until the End of Time Deja Black, 2024-10-20 Orin is a Guardian a grandson of Neptune and a formidable leader of the Atlantis military His favorite thing to do Care for his coral garden But when a merman has friends they make suggestions that can't be ignored like taking a trip to the surface world Orin would rather stay at home in the sea but there may be the slightest chance he could find his mate as his brothers did before him Gavin has been running for years from the life he suffered with his ex boyfriend He's only recently decided to explore relationships again but the man that captures his attention is a great deal more than he imagined He can take this chance for happiness or he could keep running Should the two give up or try their hand at something new Well their friends may just have something to say about that **Until the End of Time** Danielle Steel, 2013-01-29 1 NEW YORK TIMES BESTSELLER Two couples four decades apart One believes that if lovers die they find each other again in another life Or perhaps they wind up as stars side by side in the sky together forever Who knows how it really ends Danielle Steel presents the poignant story

of two parallel destinies and the kind of love we all hope will be everlasting Bill a dedicated young lawyer working at his family's prestigious New York firm leaves everything he trained for to follow his dream and become a minister in rural Wyoming Jenny his wife is a stylist whose heart and soul are invested in fashion She leaves the milieu and life she loves to join him The certainty they share is that their destinies are linked forever Fast forward thirty eight years Robert is a hardworking independent book publisher in Manhattan who has given up all personal life to build his struggling business He is looking for one big hit novel to publish Lillibet is a young Amish woman living as though in the seventeenth century caring for her widowed father and three young brothers on their family farm In secret at night by candlelight she has written the novel that burns within her and gets it into Robert's hands wrapped in her hand stitched apron He falls in love first with the book and then with the woman he has never met living in the sequestered world of the Amish a world without telephones computers electricity modern conveniences or cars Although Lillibet faces banishment from her family and community she embraces the opportunity to publish her novel and is irresistibly drawn to the man who has heard her voice Destiny is at work here Fate draws her from her horse and buggy life toward his and the publication of her novel In the hands of master storyteller Danielle Steel these two remarkable relationships come together in unexpected and surprising ways as lovers are lost and find each other again If it is true that real love lasts forever and lovers cannot lose each other then Until the End of Time will not only comfort and fascinate us as destiny does her dance but it will give us hope as well Love and fate are powerful irresistible forces as Steel proves to us here in a book about courage change risk and hope and love that never dies
