V: The Original Miniseries Kenneth Johnson,A. C. Crispin,2008-10-28 An oppressive alien force threatens to take over the earth and it is up to a small band of resistance fighters to overcome both alien tyranny and the apathetic responses of humanity **V: The Original Miniseries** Kenneth Johnson,A. C. Crispin,2008-10-28 An oppressive alien force threatens to take over the earth and it is up to a small band of resistance fighters to overcome both alien tyranny and the apathetic responses of humanity *V: The Second Generation* Kenneth Johnson,2008-02-05 At last the climactic conclusion of the V television miniseries saga readers will never forget V: The Second Generation Kenneth Johnson,2008-12-02 A triumphant empowering and engaging sequel to the bestselling miniseries V *Planet Auschwitz* Brian E. Crim,2020-05-15 Planet Auschwitz explores the diverse ways in which the Holocaust influences and shapes science fiction and horror film and television by focusing on notable contributions from the last fifty years The supernatural and extraterrestrial are rich and complex spaces with which to examine important Holocaust themes trauma guilt grief ideological fervor and perversion industrialized killing and the dangerous afterlife of Nazism after World War II Planet Auschwitz explores why the Holocaust continues to set the standard for horror in the modern era and asks if the Holocaust is imaginable here on Earth at least by those who perpetrated it why not in a galaxy far far away The pervasive use of Holocaust imagery and plotlines in horror and science fiction reflects both our preoccupation with its enduring trauma and our persistent need to work through its many legacies Planet Auschwitz website <https://planetauschwitz.com> *Fascist Lizards from Outer Space* Dan Copp,2017-03-10 When Kenneth Johnson s science fiction miniseries V premiered in 1983 it netted more than 40 percent of the television viewing audience and went on to spawn a sequel a weekly series novelizations comic books and a remake Yet the 2009 V reboot was cancelled in its second season despite a robust premiere Both versions were products of their respective times but the original was inspired by classic works by the likes of Sinclair Lewis and Leo Tolstoy Johnson s predilection for literature and history helped give his telling of V a sense of heart and depth that the contemporary version sorely lacked Featuring exclusive interviews with cast and crew this book examines V s cultural impact and considers the future of the franchise *5000 Episodes and No Commercials* David Hofstede,2011-11-09 Groundbreaking Does for TV shows what Leonard Maltin s guides do for movies Forget movies Sales of TV DVDs are outpacing all other categories according to Video Store magazine The Simpsons 24 Lost Desperate Housewives Alias even old chestnuts like Columbo and Home Improvement are blowing out of the stores as fans and collectors rush to buy their favorite shows compact and complete How do buyers know which shows are the best which season contains that favorite moment which episode features that guest star They don t not without their trusty copy of 5 000 Episodes No Commercials which gives full information on every sitcom and drama released on DVD whether in season by season sets individual episodes best of compilations specials or made for TV movies Almost 500 pages of listings include year of original airing information on audio and video quality extras Easter eggs and

more Every couch potato is sure to heave up off the sofa just long enough to buy 5 000 Episodes No Commercials

Religion and Science Fiction James H. Thrall, 2024-05-17 Religion and Science Fiction An Introduction guides students into deeper understanding of how religion and science fiction engage often overlapping questions This textbook introduces key ideas of religious studies through critical consideration of print and visual media that fall within the general category of science fiction The goal throughout is to help students move beyond simply identifying points of interrelation between religious studies and forms of what is often called more broadly speculative fiction to considering how the studied texts open new ways of thinking about human and nonhuman experience taken to be religious With discussion questions lists of key terms extensive additional resources and suggestions for projects and essay questions this book is a foundational text for students and instructors of religion and science fiction

Late Antique Letter Collections Cristiana Sogno, Bradley K. Storin, Edward J. Watts, 2019-11-19 Bringing together an international team of historians classicists and scholars of religion this volume provides the first comprehensive overview of the extant Greek and Latin letter collections of late antiquity ca 300 600 c e Each chapter addresses a major collection of Greek or Latin literary letters introducing the social and textual histories of each collection and examining its assembly publication and transmission Contributions also reveal how collections operated as discrete literary genres with their own conventions and self presentational agendas This book will fundamentally change how people both read these texts and use letters to reconstruct the social history of the fourth fifth and sixth centuries

Aliens in Popular Culture Michael M. Levy, Farah Mendlesohn, 2019-03-22 An indispensable resource this book provides wide coverage on aliens in fiction and popular culture The wide impact that the imagined alien has had upon Western culture has not been surveyed before in many cases the essays in Aliens in Popular Culture are the first written on the topic The book is a compendium of short entries on notable uses of aliens in popular culture across different media and platforms by almost 90 researchers in the field It covers science fiction from the late nineteenth century into the twenty first century including books films television comics games and even advertisements Individual essays point to the ways in which the imagined alien can be seen as a reflection of different fears and tensions within society above all in the Anglo American world The book additionally provides an overview for context and suggestions for further reading All varieties of readers will find it to be a comprehensive reference about the extra terrestrial in popular culture

There Are Save Two Churches Only, Volume II D. Christian Markham, 2015-11-09 A journey through disturbing yet crucial matters that must be considered prior to End Times and Christ s return This second volume takes a different approach from the first It is a journey not a pick and choose buffet It begins by taking the reader where the first volume left off down the rabbit hole The journey concludes in confronting the LDS reader with a crucible wherewith one s faith and trust in Christ and in Christ alone will be put to the ultimate test There are save two churches only Which one does your everyday mindset and your personal and professional choices testify that you are a member of What is the foundation upon which you anchor your sacred

testimony How close how intimate how cherished is your relationship with Jesus Christ If you are not prepared to answer these questions with full conviction of heart then you are not ready to contemplate the contents of this book

Television and Serial Adaptation Shannon Wells-Lassagne, 2017-01-20 As American television continues to garner considerable esteem rivalling the seventh art in its cinematic aesthetics and the complexity of its narratives one aspect of its development has been relatively unexamined While film has long acknowledged its tendency to adapt an ability that contributed to its status as narrative art capable of translating canonical texts onto the screen television adaptations have seemingly been relegated to the miniseries or classic serial From remakes and reboots to transmedia storytelling loose adaptations or adaptations which last but a single episode the recycling of pre existing narrative is a practice that is just as common in television as in film and this text seeks to rectify that oversight examining series from M A S H to Game of Thrones Pride and Prejudice to Castle

Encyclopedia of Television Film Directors Jerry Roberts, 2009-06-05 From live productions of the 1950s like Requiem for a Heavyweight to big budget mini series like Band of Brothers long form television programs have been helmed by some of the most creative and accomplished names in directing Encyclopedia of Television Film Directors brings attention to the directors of these productions citing every director of stand alone long form television programs made for TV movies movie length pilots mini series and feature length anthology programs as well as drama comedy and musical specials of more than 60 minutes Each of the nearly 2 000 entries provides a brief career sketch of the director his or her notable works awards and a filmography Many entries also provide brief discussions of key shows movies and other productions Appendixes include Emmy Awards DGA Awards and other accolades as well as a list of anthology programs A much needed reference that celebrates these often neglected artists Encyclopedia of Television Film Directors is an indispensable resource for anyone interested in the history of the medium

A Finger in the Wound Diane M. Nelson, 1999-04-01 Many Guatemalans speak of Mayan indigenous organizing as a finger in the wound Diane Nelson explores the implications of this painfully graphic metaphor in her far reaching study of the civil war and its aftermath Why use a body metaphor What body is wounded and how does it react to apparent further torture If this is the condition of the body politic how do human bodies relate to it those literally wounded in thirty five years of war and those locked in the equivocal embrace of sexual conquest domestic labor mestizaje and social change movements Supported by three and a half years of fieldwork since 1985 Nelson addresses these questions along with the jokes ambivalences and structures of desire that surround them in both concrete and theoretical terms She explores the relations among Mayan cultural rights activists ladino nonindigenous Guatemalans the state as a site of struggle and transnational forces including Nobel Peace Prizes UN Conventions neo liberal economics global TV and gringo anthropologists Along with indigenous claims and their effect on current attempts at reconstituting civilian authority after decades of military rule Nelson investigates the notion of Quincentennial Guatemala which has given focus to the overarching question of Mayan and Guatemalan identity Her work

draws from political economy cultural studies and psychoanalysis and has special relevance to ongoing discussions of power hegemony and the production of subject positions as well as gender issues and histories of violence as they relate to postcolonial nation state formation **Science Fiction TV** James Van Hise,1993 The Fantastic in Holocaust Literature and Film Judith B. Kerman,John Edgar Browning,2014-11-18 When reality becomes fantastic what literary effects will render it credible or comprehensible To respond meaningfully to the surreality of the Holocaust writers must produce works of moral and emotional complexity One way they have achieved this is through elements of fantasy Covering a range of theoretical perspectives this collection of essays explores the use of fantastic story telling in Holocaust literature and film Writers such as Jane Yolen and Art Spiegelman are discussed as well as the sci fi television series V 1983 Stephen King s novella Apt Pupil 1982 Guillermo del Toro s Pan s Labyrinth 2006 and Martin Scorsese s dark thriller Shutter Island 2010

Science Fiction Television M. Keith Booker,2004-07-30 Science fiction series have remained a staple of American television from its inception classic programs such as The Twilight Zone The Outer Limits and Star Trek along with recent and current series including Babylon 5 and Stargate SG 1 have been some of the most enduring and influential of all television shows In this chronological survey author M Keith Booker examines this phenomenon and provides in depth studies of the most important of these series Science Fiction Television traces the development of the genre as a distinct cultural phenomenon within the context of broader developments in American culture as a whole In the process it offers a unique and informative guide for television fans and science fiction fans alike one whose coverage is unprecedented in its scope and breadth A must read for anyone interested in its subject or in American popular culture Science Fiction Television is a perceptive and entertaining history of one of television s most lasting forms of entertainment **TV Guide: TV on DVD 2006** TV Guide,2005-10 From the foremost authority on TV viewing comes a complete guide to television shows on DVD

The Science Fiction Reboot Heather Urbanski,2013-03-08 This analysis examines several recent reimagined science fiction franchises Star Trek Battlestar Galactica V and Star Wars in order to capture how reboots work from a fan perspective Previous encounters with these stories make the reboot experience distinct for fan viewers who bring with them a set of expectations and knowledge often tied to franchise canon that cannot be separated from the new film or television series Even when elements of the original versions are maintained memories of them influence the narrative encounter This book considers reimagined texts from several levels including the medium the characters and the world building to break down and then explore the reboot experience Plagues, Apocalypses and Bug-Eyed Monsters Heather Urbanski,2015-01-24 Speculative fiction both science fiction and fantasy reflects among other things the fears of the culture that created it contributing perhaps unconsciously to our efforts to prevent our fears from coming true While the names and media change over time the themes of speculative fiction have a long history Nineteenth century works such as Frankenstein and The Invisible Man contain many of the same messages as the more modern tales of Terminator Jurassic Park and even Buffy the

Vampire Slayer although almost a century separates their creation This critical study discusses the ways in which speculative fiction reflects societal fears and analyzes how such cautionary tales contribute to society s efforts to avoid the realization of these fears Beginning with a discussion of the nature of speculative fiction it takes a look at the characteristics of the cautionary tale The core of the book however is the concept of the Nightmares Model which examines and categorizes the repetition of specific themes within the genre The dangers of science and technology the perils of power and the threat of the unknown are discussed as recurrent themes within a variety of works in prose film and television Works analyzed range from *Twenty Thousand Leagues Under the Sea* to *2001 A Space Odyssey* to *The Blair Witch Project* Sources include the author s own observations as a member of the genre s fandom a variety of published commentaries and the perspectives of contemporary professionals gained through personal interviews and panel discussions
