Popular Educator ,1922 **50 Ways to Leave Your 50'S** Scott Ludwig,2015-02-20 In my fourth book In it for the Long Run one of the most popular chapters with the readers was You can call me Al It was all about my good friend Al Barker the only person Ive ever met who brakes with his left foot Wanting to capitalize on the popularity of using titles of Paul Simon songs I reviewed his repertoire for an applicable title for this book Since the book is about my last year on earth before turning 60 years of age I initially considered Slip Slidin Away but thought that might project a negative connotation towards getting older Instead I chose one of Simons more popular songs and gave it my own slant as I wanted to do 50 things Id never done before in the 12 months leading up to becoming a sexagenarian dont get the wrong idea it just means a person between 60 and 69 years of age On my 60th birthday December 10 2014 someone asked me how I felt I said just like I did when I was 59 Heck it was only yesterday although my grandson

calls it lasterday which if you really think about it makes a lot more sense As for the 50 things Id never done before dont expect anything outrageous jumping out of an airplane dangerous wrestling an alligator or spectacular making a dinosaur appear but if I could my grandson would be SO impressed Just 50 things pretty much anyone could do as long as they have the right attitude And by right attitude I mean sometimes you just have to say what the ___ Just because I turned 60 doesnt mean I reached maturity overnight After all maturity is for old people **Fudging the Books** Daryl Wood
