Kael Weston, 2017-04-04 A New York Times Editors Choice A Military Times Best Book of the Year J. Kael Weston spent seven years on the ground in Iraq and Afghanistan working for the U.S. State Department. Upon returning home, traveling throughout the United States to pay his respects to the dead and wounded, he wondered what lessons, if any, could be learned from these wars. In this essential book, Weston questions, interprets, and explains our wars in the Middle East through a tapestry of voices: Iraqi, Afghan, and American; taking readers across California and Fallujah, Khost, and Colorado. Along the way, we meet generals, corporals, and captains; former Taliban fighters, Afghan schoolteachers, SEAL teams, imams, and many Marines. When will these wars end? How will they be remembered? Perhaps no one is better suited to tackle these important questions than Weston. *The Mirror Test* is an unflinching look at warfare and diplomacy and a necessary reckoning with America's actions abroad. **Civil Airworthiness Certification** Miguel Vasconcelos, United States Department of Transportation, Federal Aviation Administration, 2013-09-19 This publication provides safety information and guidance to those involved in the certification, operation, and maintenance of high performance former military aircraft to help assess and mitigate safety hazards and risk factors for the aircraft within the context provided by Title 49 United States Code, 49 U.S.C. and Title 14 Code of Federal Regulations, 14 CFR, and associated FAA policies.
