

UZ MARKS SUCCESSFUL NATIONAL CHILDREN'S MONTH CELEBRATION

The Universidad de Zamboanga (UZ) through the External Affairs and Institutional Development Centre (EAIDC)—Social Development (SocDev) Unit, in collaboration with the Commission on Human Rights-IX (CHR-9), joins the annual observance of National Children's Month with the theme "Healthy, nourished, sheltered: ensuring the right to life for all."

This is in pursuant to DepEd Order No. 32, Series of 2017: Gender Responsive Basic Education Policy, and by virtue of Republic Act No. 10661, which declares every month of November as "National Children's Month".

A webinar on children and human rights was organized on November 24, 2023, which was attended by 118 UZ students, faculty, and staff from the School of Medicine (SAM), School of Engineering, Information, and Communication Technology (SEICT), School of Liberal Arts and Sciences (SLAS), School of Criminal Justice (SCJ), High School Department (HSD), School of

Education (SED), and UZ Ipil Campus.

Resource speaker Atty. Bensaud O. Degusman, a respected Attorney IV from the Commission on Human Rights-IX (CHR-9), gave an insightful lecture on Basic Human Rights. In his presentation, he explained the fundamental characteristics of human rights and provided some significant insights that are worth noting. He emphasized how crucial it is to understand and incorporate these rights to ensure that children's rights are also protected.

This endeavor aims to contribute with the seventeen Sustainable Development Goals (SDGs) targeting inclusivity and prioritizing the most marginalized and vulnerable groups, notably children. The university is marking this month by raising awareness within the community about the intrinsic value of every human being, with a special focus on children, aiming to eradicate violence and foster a harmonious future.
