ineffective and unsafe But the medical establishment has been lured into the superstitious practice hook line and sinker It is not merely a matter of ignorance that the debilitating practice flourishes It is at its core being promoted by those who know it is unsafe and ineffective There is a malevolent spirit behind the practice It is part of a conspiracy against God and man While most doctors are unwitting some are willing minions of that old serpent called the Devil and Satan who are quite happy to kill people for profit Jesus describes such men Ye are of your father the devil and the lusts of your father ye will do He was a murderer from the beginning and abode not in the truth because there is no truth in him When he speaketh a lie he speaketh of his own for he is a liar and the father of it John 8 44 The Poisoned Needle Trung Nguyen,Eleanor
