The label for this engine is also located in the engine compartment. It is attached to a vertical metal plate located on the right side of the generator.

There are unique labels for vehicles built for sale in the country of Canada and for both Light Duty Cycle (LDC) and Heavy Duty Cycle (HDC) engines. Canadian labels are written in both the English and French languages. For all Canadian vehicles, the label is split into two different labels.

The VECI labels are permanently attached and cannot be removed without defacing information and destroying label.

Always use the information found on the Vehicle Emission Control Information (VEC I) label. The VECI label is located in the engine compartment.
