Discounting the Future Liliana Doganova, 2024-02-13 A pioneering exploration of the defining traits and contradictions of our relationship to the future through the lens of discounting Forest fires droughts and rising sea levels beg a nagging question have we lost our capacity to act on the future Liliana Doganova s book sheds new light on this anxious query It argues that our relationship to the future has been trapped in the gears of a device called discounting While its incidence remains little known discounting has long been entrenched in market and policy practices shaping the ways firms and governments look to the future and make decisions accordingly Thus a sociological account of discounting formulas has become urgent Discounting means valuing things through the flows of costs and benefits that they are likely to generate in the future with these future flows being literally dis counted as they are translated in the present How have we come to think of the future and of valuation in such terms Building on original empirical research in the historical sociology of discounting Doganova takes us to some of the sites and moments in which discounting took shape and gained momentum valuation of European forests in the eighteenth and nineteenth centuries economic theories devised in the early 1900s debates over business strategies in the postwar era investor state disputes over the nationalization of natural resources and drug development in the biopharmaceutical industry today Weaving these threads together the book pleads for an understanding of discounting as a political technology and of the future as a contested domain

Valuation In Life Sciences A Practical Guide : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Pappen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and gripping novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
