allowing families and military personnel to bring negligence cases against the MoD for injury or death This seems to us to risk the judicialisation of war and to be incompatible with the accepted contract entered into by Service personnel and the nature of soldiering *InfoWorld* ,1984-11-26 InfoWorld is targeted to Senior IT professionals Content is segmented into Channels and Topic Centers InfoWorld also celebrates people companies and projects **MotorBoating** ,1933-10
