Vampire Knight Chapter Guide:

My Vampire Knight (Sanctuary, Texas #7) Krystal Shannan, 2017-06-09 Her Vampire Knight Ines Johnson, This little panther shifter thinks she's captured me. Me, one of the most feared vampires in history. I like the feel of her claws so I'll stay put. I like the heat of her flesh in my hands so I'll let her think she has a hold on me. I like the sweet taste of her lips, the ones above and below her belt so I'm more than happy to keep her sassy mouth occupied. What I can't do is penetrate that most sacred part of her. I'm a massive goliath. She's a wee kitten. I'd split her in two. Doesn't mean I can't pet her and make her purr. The problem is the more she rubs her lush curves against me, the more the beast below stirs, ready to claim her untouched heat. I can't let it go that far. If I do, it will surely break us both. *Vampire Knights of Camelot* Adam Loughrey, 2024-07-05 Connor lived an average life for eighteen years. Between procrastinating in school and butting heads with his stepfather, the most he had to worry about was pining for romance. But when the metal band in town turns out to be a deadly cartel of blood-hungry vampires, his senior year of high school goes from mismanaged to manhunt, and he becomes the number one target for every blood sucker in the city. His only hope for survival lies in the hands of another class of vampire: the well-dressed Arthurian knights. Not only are they real-life descendants of King Arthur's Knights of the Round Table, they are both vampires and vampire hunters. They operate under a strict code, obey the Pendragon queen, and are far from forthcoming with Connor about well anything really. Especially the truth. Caught in a whirlwind of deadly ghouls, criminals, and creatures of the night, Connor doesn't know who to trust as he fights for the lives of himself and his friends. With stakes this high, Connor plays a deadly game of cat and mouse with both sides. Every vampire in the city wants to control him. If they can't. Whether the evil undead or the mythical knights. Safe to say that vampires and mercy don't mix. **Vampire Knights: A Pulp Fantasy Tale** Spencer Honor, 2015-07-01 In a last man standing tournament to determine which human will join the ruling vampire caste, a young slave with little life experiences has to overcome hardened warriors and other more battle-tested contestants if he wishes to outlive his opponents and be declared the winner. However, in the course of the tournament, he learns that everything is not as it seems, and becoming one of the VAMPIRE KNIGHTS may be his only path to victory. **World of Vampires: The Bloodline** Pasquale De Marco, 2025-05-11 World of Vampires: The Bloodline is the definitive guide to the world of vampires. audience that had become increasingly interested in superstition and occult phenomena in an Age of Enlightenment In addition to establishing that the origins of the literary vampire in 18th and 19th century German poetry and prose were informed by the stories and reports of vampires from Central Europe Crawford argues that the German poets who adapted this figure from superstition for their creative work immediately molded it into a metaphor for contemporary cultural anxieties and fears a connection that would inspire horror literature in general and the traits of the literary vampire in particular for the 19th century and beyond Contemporary culture has exhibited a marked fascination with eroticized and politicized applications of the vampire This volume traces these erotic motifs common political motifs and others to the first vampire poems that were written by German poets Consequently this book answers three central questions What were the origins of the literary vampire how was the vampire of folklore and superstition adapted for literature and how did German poets contribute to the development of the vampire and Gothic horror literature By answering these and other questions The Origins of the Literary Vampire explains how the literary vampire became the ubiquitous horror figure it is today
