James Mactavish,2020-11-13 Following the events of Palladium the sacred statue born of ancient Greece has been found The knights of the White Dragon wield both the Palladium and the Necklace of Harmonia once again a power strong enough to both create and topple empires The world however remains largely unchanged since the Red Dragon encountered their foes at Tintagel leaving them to wonder exactly what their former brethren of the Round Table have planned Meantime a legendary relic entwined to both factions has had its own calling with one Knight in particular having to rise to the challenge

In Between The Gaps TL Dyer,2025-06-06 The past is a story One he s been rewriting for years 1992 Five teenage friends stand poised on the cusp of their adult lives pushing boundaries exploring sexuality creating identities Three of them are liars Between them are two secrets And when one night changes everything only four are left to carry the guilt September 2024 Mike Jen Will and Simon meet in a luxury secluded villa in Marbella on the anniversary of Heidi s death It s intended to be a commemoration of their friend in what would have been her fiftieth year But they each arrive with their own

agenda For one it s a chance to make a confession Another is coming to terms with a health diagnosis and longs for company Another recently heartbroken seeks solace in the one person they ve never truly got over The other has come to lay the past to rest and move on In the stifling late summer Spanish heat the four struggle to put their differences behind them and heal old wounds At the same time the story of the past unfolds from each of their perspectives their actions a chip on the windscreen of their lives that at first splinters then cracks before shattering entirely All of them played a part in what happened All could have altered the outcome But only one doesn t feel the need to atone Not when thirty two years after the event the evidence is clear Truth exists only in the moment And for every new moment there s a new truth Suspenseful and moving In *Between The Gaps* is a haunting exploration of troubled young love secrets and tragedy and the fragile nature of perspective
