Allow only persons who understand this Manual to operate your out-of-machine

To receive maximum performance and satisfaction from your STIHL cut-off machine, it is important that you read and understand the maintenance and safety precautions, starting on page 8, before using your cut-off machine.

Contact your **STIHL** dealer or the **STIHL** distributor for your area if you do not understand any of the instructions in this Manual.

Abstract

Because a cut-off machine is a high-speed cutting tool, some special safety precautions must be observed as with any other cut-off machine to reduce the risk of personal injury.

Guarantees of proper care may reduce
a woman's or woman's child's injury

STHL's philosophy is to continually improve all of its products. As a result, engineering changes and improvements are made from time to time. If the operating characteristics or the appearance of your outfit machine differs from those described in this Manual, please contact your STHL dealer for information and assistance.
