Still Life English Edition:

There are Tears in Things (English Edition) Laksmi Pamuntjak, 2016-11-07 What a pleasure to see Laksmi Pamuntjak's poems and prose texts in one generous volume that bears witness to her versatility and dexterity in both those genres long before her name became internationally known for her splendid first novel. Her multivocal stories intertwine with the lush layered textures of art and music and her elliptical deft poems observe with a clear eye the cityscapes of our own restless lives whether in Jakarta or London New York or Berlin. Amer Hussein author of *Another Gulmohar Tree* *The Cloud Messenger* *Insomnia*. It is clear from her beautiful poetry and prose that Laksmi Pamuntjak knows the human heart has many chambers who cares what doctors think and that love desire and longing is never so easy and simple as to occupy only one room in the hotel of our hearts. This staggering collection is both delicate and dangerous forceful and faultless. She draws back the curtains on the aching complexities of vulnerability all you have to do is enter. Sean M Whelan author of *Tattooing the Surface of the Moon*. Laksmi Pamuntjak's poems start in the thinking mind intelligently constructed and seemingly softly spoken. But they roam wildly into everything that surrounds it both by way of the material the bodily the sensuous and along the transformative power of the imagination. Her verse brings these two distinct modes of being together as if they are not separate at all. In so doing her poetry is one where the personal the political and the mystical are one. As they should be. Joost Baars poet essayist former manager of *Perdu Poetry Theater* in Amsterdam. Pamuntjak moves through cities and bodies and imprints and sends us these pages like postcards to cherish on one side poems and musings on the other vignettes and visuals. So we travel with her through her eyes seeing and savoring each experience renewed by every fresh taste or tableau. Sharanya Manivannan author of *The High Priestess Never Marries*. Aesthetically intense and powerfully sensual the poetry is attuned meticulous deft and the reader is transfigured by a sea of silences. *Books of the Year 2005* *The Herald UK* for *Ellipsis* hard not to get caught up in the poems sheer energy and celebration of language or as Pamuntjak writes a world of the word. *The Straits Times Singapore* for *Ellipsis* hard edged and heartfelt her translations of desire may be measured in pure delight. Christopher Merrill director of the International Writing Program University of Iowa and author of *Brilliant Water Poems* *Things of the Hidden God* *Only the Nails Remain* for *The Anagram*. THE NEXT ONE TO DIE (English Edition) Victor Gunn, 2021-02-25 Murder in the quiet dignified precincts of the Inner Temple and Cromwell and Lister quickly follow a trail which leads to the ancestral home of the Earl of Ellsworth. They arrived to find the household in a state of panic a phantom figure which heralds the death of an Ellsworth heir. A further death is swiftly followed by another attempt at murder.

Muhenda (English version) Wilson Miguel, After the success and also the breaking of the law of the black lives matter movement all blacks around the world were expelled forced to return to Africa creating a political division between blacks and whites. But the explosion of global warming and the rupture of the ozone layer grants world dominion and power over the only kingdom on the planet that holds natural resources the kingdom of Muhenda in Africa. A place where white people were

never welcome However an agent of the intelligence of the whites manages to enter Muhenda The king of Muhenda is murdered and the white man is sentenced to death for the crime and as retaliation all the remaining whites were made slaves Years later a dictator and tyrant empire rises dominating all of Africa inflicting terror oppression inequality and pain Led by the new king of Muhenda and the brother of the deceased the emperor Luther Nankela That situation forces Sowety a young African warrior queen and Selena a young white slave to stand up step up and fight against the new system Two different women two enemy races one almost impossible gold freedom
