Stolen By The Sheikh Interracial Romance English Edition:

Desert Passions Hsu-Ming Teo, 2012-11-15 The Sheikh E M Hull's best selling novel that became a wildly popular film starring Rudolph Valentino kindled sheik fever across the Western world in the 1920s. A craze for all things romantically Oriental swept through fashion, film, and literature, spawning imitations and parodies without number. While that fervor has largely subsided, tales of passion between Western women and Arab men continue to enthrall readers of today's mass market romance novels. In this groundbreaking cultural history, Hsu Ming Teo traces the literary lineage of these desert romances and historical bodice rippers from the twelfth to the twenty-first century and explores the gendered cultural and political purposes that they have served at various historical moments. Drawing on high literature, erotica, and popular romance fiction and films, Teo examines the changing meanings of Orientalist tropes such as crusades and conversion, abduction by Barbary pirates, sexual slavery, the fear of renegades, the Oriental despot, and his harem, the figure of the powerful Western concubine, and fantasies of escape from the harem. She analyzes the impact of imperialism, decolonization, sexual liberation, feminism, and American involvement in the Middle East on women's Orientalist fiction. Teo suggests that the rise of female-authored romance novels dramatically transformed the nature of Orientalism because it feminized the discourse, made white women central as producers, consumers, and imagined actors, and revised, reversed, or collapsed the binaries inherent in traditional analyses of Orientalism.

The Innocent Carrying His Legacy Jackie Ashenden, 2021-06-29 The family she never thought she'd have with the desert king, she should never have met. Jackie Ashenden brings us a royal romance brimming with drama and desire. From desert warlord to surprise father, Children Not for Illegitimate Sheikh Nazir Al Rasul, whose desert fortress is less intimidating than his barricaded heart. Until Ivy Dean appears on his doorstep and he finds out that through IVF she's bearing his heir. Surrogate Ivy agreed to carry her best friend's baby. Then tragedy forces her to seek out the child's biological father. But when Nazir insists on her hand in marriage, she's shocked. Always unwanted virgin, Ivy didn't see a family in her future, much less with an iron-hearted husband who makes her burn dangerously hot. From Harlequin Presents, Escape to exotic locations where passion knows no bounds.

A Silken Seduction Yvonne Lindsay, 2012-09-01 London-based artist Avery Cullen refuses to sell her late father's art collection. But bold, brash Marcus Price will try everything to get her to reconsider. He even launches an all-out sexual siege on the lonely heiress in the gilded cage. Securing the collection would be a coup for his auction house, but for Marcus, it would settle a lifelong score. He's managed to keep his true motives hidden along with his family's skeletons, and now he's so close he can taste success in Avery's kiss. But after their torrid night of passion, is Marcus prepared for the outcome?

An Imperialist Love Story Amira Jarmakani, 2015-07-31 A curious figure stalks the pages of a distinct subset of mass market romance novels aptly called desert romances. Animalistic yet sensitive, dark and attractive, the desert prince or sheikh emanates manliness and raw sexual power. In the years since September 11, 2001, the sheikh character has steadily risen in popularity in romance novels, even while depictions of Arab masculinity as

backward and violent in nature have dominated the cultural landscape An Imperialist Love Story contributes to the broader conversation about the legacy of orientalist representations of Arabs in Western popular culture Combining close readings of novels discursive analysis of blogs and forums and interviews with authors Jarmakani explores popular investments in the war on terror by examining the collisions between fantasy and reality in desert romances Focusing on issues of security freedom and liberal multiculturalism she foregrounds the role that desire plays in contemporary formations of U S imperialism Drawing on transnational feminist theory and cultural studies An Imperialist Love Story offers a radical reinterpretation of the war on terror demonstrating romance to be a powerful framework for understanding how it works and how it perseveres
