Hamster HQ Darren Mennie,2022-11-30 My wife and I bought our daughters a Syrian hamster Fluffy who became a much loved part of our family Our children were convinced that Fluffy had a secret life I eventually wrote Hamster HQ to try to answer the question of what did Fluffy do when we turned the lights off *You're Never Too Young or Too Broke* R. Ward,2020-09-22 Are you ready to find out what's been holding you back financially It doesn't matter what your age or income is most people have the same basic issues when it comes to saving Like many I've had my share of challenging times and learned some very valuable lessons related to money management With much encouragement from family and friends I was compelled to create a roadmap for people like us who need to come up with creative ways to save eliminate credit card debt get rid of car payments increase credit scores and accumulate retirement funds for when that time comes My book is about overcoming financial struggles that have held you back sabotaged your success and wreaked havoc with your self esteem It's time to say so long to money habits that have never worked for only against you The struggle is real and the journey is not an easy one but the rewards are definitely worth every step Let's explore your challenges and you'll come to realize you are not alone Get ready to shout your successes to the world and develop lifelong changes that will transform your future Similar to microfinancing the focus is on helping those who appear to lack enough funds to save and even invest short and long term Expect to be amazed as you accumulate money in some unlikely places to prepare you for your next evolution of positive financial growth This can be done without getting a raise at work inheriting money or using credit cards Inside you'll find tools techniques and words of encouragement that will support you along the way Ready Set Let's go
