Storm Peak Guide Wow:

Storm Restoration Guide Ridgetop Exteriors, Larry Gebhart, 2013-09-01 Ridgetop Exteriors is a residential and commercial roofing siding window gutter and hail damage contractor with over 30 years of experience We are a family owned business with offices throughout the United States

The Gamer's Guide to International Relations Michael A. Allen, 2025-02-15 Ready Player One meets Foreign Affairs everything your students need to know about international relations through the lens of video games The Gamer's Guide to International Relations uses massively popular video games as a stepping stone to learning about international relations The study of international relations concerns itself with critical topics like war civil war terrorism human rights trade monetary policy and the environment Each of these areas of human need crisis and response can be difficult to understand However gamers already implicitly understand the international world through the games they play Drawing upon lessons gamers learn through gameplay this volume guides readers as to how their existing knowledge can help untangle some of the most complicated topics facing humanity The book progresses by introducing readers to how scholars use the scientific method in international relations Readers will encounter pivotal international relations theories that explain why war occurs like realism liberalism and constructivism as well as understanding concepts like the bargaining model of war The book discusses how we learn about international politics and guides the reader through how we can research world politics and gaming Finally the book focuses on key interest areas like international political economy human rights the environment and civil war

The Biker's Guide to Business Dwain M. DeVille, 2009-07-28 The path to business success is an open road and you'd better be ready for anything What do businesspeople and entrepreneurs have in common with bikers More than you'd suspect The freedom of hitting the open road is a concrete extension of the need for freedom that encourages entrepreneurs to start businesses The desire to succeed in business by doing it your own way is no different than the desire to hit the road and plot your own course on two wheels The Biker's Guide to Business explores these parallels and offers hard won business wisdom specially suited for Business Bikers who do it their way whether out on the highways or in the corporate boardroom Introduces DeVille's Navigation Process that helps you develop your own action plan for achieving your own unique vision of success Shows you how to tailor a road map to guide your personal journey from where you are now to where you want to be tomorrow Uses biker terminology analogies and parallels to communicate real business wisdom Though written to appeal to bikers the book is a handy business guide for anyone willing to take the ride Whether or not you're a biker the passion to ride is the same passion that pushes people to succeed professionally by taking their own path Hop on rev up and succeed
