No Outlets Rebecca Winter is startled by what sounds like a gunshot in the middle of the night She is living in a run down cottage on a mountainside in rural New York State Day by day she finds herself discovering what is wrong with her new surroundings Since there are no electrical outlets in her bedroom she has no lamp at her bedside She looks around in the darkness trying to get her bearings She notices a new smell as she rolls over in bed and thinks of all the other smells at the cottage skunk trampled plants and mildew to name a few She tries to convince herself that she isn t afraid but her entire body is tense The quiet of the country setting where she doesn t have a cellphone signal is not peaceful to her but unnerving The noise above crashes on and on and the smell grows stronger She remembers the events of the day She had heard a skittering sound in her attic and gone to town to talk to an exterminator The exterminator had referred her to a roofing guy The roofer had inspected the attic and let her know that she had a racoon in her attic as well as a hole in her flashing The roofer baited a trap and put it up in the attic Lying in the darkness alone Rebecca realizes that the sounds she has mistaken for gunshots are actually the sounds of the racoon thrashing around overhead in the trap Rebecca wonders how she wound up there

How She Wound Up There The Inspirational Version Two months before her sixtieth birthday Rebecca won the prestigious J P Bradley Prize for an artist whose body of work illuminated the human condition Rebecca is a photographer and the first female and youngest winner of the prize She feels that her heyday was over once she won the award She had known for a while that her popularity was declining based upon the reduced royalty checks and fewer invitations and reactions when she introduced herself Her agent Tori Grzyjk was scouting new talent and Rebecca knew that she had become old talent Rebecca s actual prize was a painting of a red barn and 1 000 She was very happy to win the money On her way to the restroom that evening she had seen an index card on the bulletin board for a charming country cottage for rent She calculated her expenses the next morning and determined that if she rented out her apartment in New York she would be able to afford the cottage pay her mother s nursing home fees her father s rent and her health insurance premiums She might even have some money left over to put

away for emergencies and retirement She also figured that living in a quaint country cottage would inspire her Changes of scenery always inspired people and everyone was waiting for her to be inspired again Still Life with Bread Crumbs - Behind the Story Jillian Warman,2014-08-05 Anna Quindlen is a veteran in the writing profession but venturing from New York Times sensation to sensational novelist was a big transition Only a truly brilliant writer like herself could have accomplished it Now a critically acclaimed author of multiple books Quindlen is enjoying the liberties of story telling In Still Life with Bread Crumbs for example she gets to explore and challenge both social standings and aging she even makes sure the novel s dog gets a voice Throughout the novel she also reveals to readers the difficulties and insecurities of professional artists what they experience think about and struggle with Still Life with Bread Crumbs is charming and comical but also quite thought provoking it beautifully illustrates Quindlen s personality writing style and wit It s a novel that s sure to put a smile on your face with every turn of the page and will induce in its readers an urgency to read it over and over again Experience The Behind the Story Effect After reading a BTS You feel inspired to follow your hearts and dreams Arshi Ever been backstage at a concert Here you go in written form Author Editor I felt enriched with knowledge about the book and I felt like I knew more about the book Aspiring Author I felt like the Behind the Story offered a new look into the book and appreciated that as most of the time that angle is unexplored Aspiring Author It makes me discover new things and when I re read the book my emotions are different deeper now that I understand what s behind the book Karlen I felt closer to the writer knowing more about them as a person and why they wrote what they wrote The Beta Reading Club Get ready for one of the most unique experiences you will ever have this is definitely CliffNotes and SparkNotes on Steroids Author Editor
