Hearings Before and Special Reports Made by Committee on Armed Services of the House of Representatives on Subjects Affecting the Naval and Military Establishments ,1973 *The works of William Makepeace Thackeray, with biogr. intr. by A.*

Ritchie. (Biogr. ed.). William Makepeace Thackeray,1898 THE ACCESSION CHRONICLES VOL#61 Dee Nicholas,2025-10-14 M Miami Florida In the early 2000s the Italian mafia was seeking to establish a new foothold in Dade County It wouldn t be the first time they tried to set up profitable routes Previous attempts had been thwarted by the Cubans this was their county and they ran it with an iron fist However they were determined to succeed this time With a blend of cunning strategy and ruthless ambition they began infiltrating local businesses and corrupting local officials to solidify their presence in the bustling city As the shadows of past attempts lingered the Italians knew that discretion would be their greatest ally They began to map out their strategy focusing on building alliances that they could offer protection and support in a landscape still dominated by those who had previously pushed them out The Big Boss New York Vinnie in his infinite wisdom decided that instead of sending an entire crew this time he would send only one loyal soldier and his bodyguard Someone with a lot of experience in the way we do things He will make his connections first then take over a few of the local businesses Once he s ready New York will give him permission to expand However before proceeding he needed to ensure that some money was coming in for the payoffs You may ask yourself how do I know Who are you to speak about such things A fair question I agree Growing up in Miami I spent the majority of my life there I began working in nightclubs as soon as I could sneak into them After ten years in nightclub management that is when I met them Or should I say him Marco In the first book Volume 60 Empires Marco hires Nico who quickly helps make his nightclub profitable It goes so well that Marco is given a second club by the family This new opportunity leads to a whirlwind of new challenges and triumphs further intertwining their lives and ambitions The route now includes a new third club and numerous local stores As they navigate the competitive nightlife scene Nico and Marco s bond strengthens revealing deeper layers of loyalty and trust Nico growing up in Miami not only being Cuban but also half Italian is a mediator of sorts a link between the newly founded Italian crew and the local Cuban circle that has been running Miami since the days of the Cuban exiles And if they say this is a quiet thing

but what about the fall Nico himself never wanted to get involved in anything like this you know the mafia He runs nightclubs for a living Yeah he s been around and as you can imagine he has seen a lot in his last 10 years but he never thought he would be part of a crime family As I said it s a quiet thing but so is the fall One day you re handing out envelopes and the next day you re digging a hole Marco had one thing on his mind success and nothing was going to get in the way of that Now that those of importance are receiving weekly envelopes we can expand First and foremost find profitable opportunities Nico and Marco both excel and the company quickly grows This attracts the attention of Marco s boss the underboss Enzo from New York He s been in this thing over 30 years and sees the financial opportunities that South Florida has to offer Enzo decides to start a route in Broward County intent on solidifying his influence in the burgeoning operation He knows a winner when he sees it and he wants in As he arrives the tension in the air is palpable everyone knows that his presence could either elevate their success or threaten the delicate balance they ve worked so hard to maintain With Marco and Nico s help he quickly begins to build an empire of his own The Cubans are impressed with Marcos s leadership skills and they agree to give him access to a fourth nightclub which Nico will also run Now the word around town is that the Italians along with the Cubans are running the nightclub scene in Miami now This attracts the attention of the local Haitian cartel They ve had their own thing in Miami for 20 years now ever since they came here they set up a profitable organization north of the county They have not really expanded too much in the past 5 years ever since the big boss Justino was murdered in the street His sister who was next in line decided to strengthen her defenses She has been in Europe for the past 10 months and instructed the family not to expand until she returned Nobody would ever go against her wishes she was not to be taken lightly Yes she is fair and honest but can be ruthless when she needs to be In her absence her only son took the reins of the family business and began expanding on his own He knew the risks involved but he felt a strong urge to prove himself and honor his family s legacy As he navigated the complexities of the Miami underworld he also prepared for the inevitable confrontation that would arise when the Big Bosses from New Jersey find out he was moving in on the Italians Considered a high ranking priest in the Santeria religion he is guided by his mother s personal counselor Marenn Of course she advises caution but being young reckless and seeking his own glory tries to take over the clubs that Nico runs Using his abilities as a Santeria priest he plans his takeover Back in Marco s bars they now have spiritual problems of their own The former managers both Santeria practitioners have started their own spiritual war with them A rivalry between the three families begins not only concerning money and power but now spiritual practices collide as tensions escalate A relentless pursuit for power puts the Haitians on a collision course with the Italians and their new friends the Cubans each side drawing not only on brute force but on their spiritual beliefs as well Outside Marco s club Kings lie many buried strange spiritual objects which some refer to as witchcraft or brujeria After being discovered and with advice from knowledgeable staff Nico begins his education in the spiritual arts He gets a quick introduction into this new world from a fortune teller Liana It wouldn t be the first time he has

had his own experiences and his time with Elise made him a believer After his first consultation at a local botanica he meets a very exotic and mysterious young woman named Zarina She captivates him with her knowledge of ancient rituals and herbal remedies sparking a curiosity that leads him deeper into the world of spirituality and mysticism As they converse about the intertwining of nature and spirituality Nico feels an inexplicable connection hinting that his journey may be more profound than he initially anticipated Many consider her a master having received her lifelong training in the spiritual arts from her Aunt Shula Her presence ignites a sense of adventure within him urging him to explore the secrets of the spiritual world around him As they embark on this journey together Nico discovers that the boundaries between reality and the mystical are blurrier than he ever imagined She is an amateur archaeologist and is training for her masters and uses that knowledge to discover her own abilities and where they originate Their combined passions lead them to unearth many hidden truths revealing ancient wisdom that has long been forgotten With each discovery Nico feels a deeper connection to her teachings and an awakening of his own latent abilities Over the next few months she and Nico become very close as she explains in great detail the current religions that are affecting him The local spiritual practices and customs along with some that originated in Africa have been around for thousands of years Others are much older from the Mesopotamian regions Her aunt has trained Zarina her entire life along with her mother's personal library transform her into an expert gemologist and metallurgist Through Zarina's guidance Nico begins to explore not only the history of these traditions but also his own identity within them As they delve into the significance of various gemstones metals and plants along with their spiritual meanings Nico discovers a new purpose that intertwines his personal journey with the rich tapestry of the cultural heritage surrounding him It doesn't take long and she is introduced to Nico's friends and associates A spiritual war breaks out between her the Haitian cartel and the local Cuban gangs Caught in the crossfire Nico must navigate the complexities of loyalty and heritage while striving to protect his newfound family both of them the Italians and the Cubans As tensions escalate he realizes that the strength of his identity and the bonds he forms may be the key to overcoming the chaos that threatens to engulf them all Many secrets will be discovered along the way and a connection between the three families will be revealed not only in crime but in spirituality as well As tensions rise Zarina must navigate the dangerous undercurrents of loyalty and betrayal while uncovering the hidden truths that bind them all With her skills in spirituality as both a weapon and a shield she embarks on a journey that will challenge her beliefs and force her to confront the shadows of her past As she delves deeper into the intertwined fates of the families Zarina discovers that the past holds more than just secrets it reveals a legacy that could redefine her future Each revelation pushes her closer to a reckoning where she must decide what she is willing to sacrifice for the sake of justice and her own redemption
