Changing the Way You Think Sheldon Malone,2015-12-30 It was during an isolated tour of military duty that the author Sheldon Malone was led to compile these devotionals written over the years into a one year devotional book designed to encourage readers to look at Gods Word from a whole new perspective by changing the way they thought It was not until he changed his thinking that he truly began to see the transforming power of God manifested in his life in tangible ways This is precisely why we have to allow God to expand our territory and horizon by permitting Him to change the way we think through His Word As you read each devotional this authors prayer is that you will find strength and encouragement to allow God to propel you into higher heights and deeper depths in the things of the Kingdom The Word of God may just give you a different perspective as it encourages you to change your thinking in order to achieve a new mindset

United States Army Combat Forces Journal ,1988 *ARCHIE, FLAK, AAA, And SAM: A Short Operational History Of Ground-Based Air Defense [Illustrated Edition]* Dr. Kenneth P. Werrell,2015-11-06 Includes over 90 illustrations Dr Kenneth Werrell s history of ground based air defense performs an important service both to scholarship and more important to the defense of our nation s freedom It is perhaps human nature that we tend over time to lose sight of the lessons of the past especially when they do not conform to certain cherished preconceptions of ours That such myopia can be dangerous if not downright disastrous Doctor Werrell s study richly illustrates Without sentimentalism he chronicles a pattern of lessons learned and too quickly forgotten as the marvel of air power was reminded again and again of its limitations and vulnerability In Korea and in Vietnam the American people were stripped of their illusions of national and technical omnipotence The unhappy outcome of those two conflicts were doubly lamentable because the lessons of World War II were or should have been fresh in our minds In that world war as Doctor Werrell shows relatively cheap ground based air defense did make a difference at Ploesti at Antwerp and at the Rhine bridges
