Critical Conditions Horace L. Fairlamb, 1994-05-26 The postmodern debate has been heavily influenced by often contradictory conclusions about the foundations of knowledge hermeneutics challenges epistemology politics challenges science identity theory challenges critical theory pragmatism challenges formalism and so on Horace Fairlamb contends that philosophy's foundationist quest has usually been misconceived as a choice between a super science and theoretical anarchy Through an examination of the history of foundationism and detailed analysis of the work of leading theorists including Fish Foucault Derrida Gadamer and Habermas Dr Fairlamb argues for a less reductive and less arbitrary conception of knowledge and meaning The result in this 1994 book is a sophisticated critique of contemporary theory with implications for philosophers as well as literary theorists and an important contribution to the re evaluation of theoretical discourse

Constructing Authorities Onora O'Neill, 2015-12-30 This collection of essays brings together the central lines of thought in Onora O'Neill's work on Kant's

philosophy developed over many years Challenging the claim that Kant's attempt to provide a critique of reason fails because it collapses into a dogmatic argument from authority O'Neill shows why Kant held that we must construct rather than assume the authority of reason and how this can be done by ensuring that anything we offer as reasons can be followed by others including others with whom we disagree She argues that this constructivist view of reasoning is the clue to Kant's claims about knowledge ethics and politics as well as to his distinctive accounts of autonomy the social contract cosmopolitan justice and scriptural interpretation Her essays are a distinctive and illuminating commentary on Kant's fundamental philosophical strategy and its implications and will be a vital resource for scholars of Kant ethics and philosophy of law Scare Your Soul

Obscure Subject of Desire Ronnie Lesser, Erica Schoenberg, 2013-11-12 An interdisciplinary collection of papers on Freud's sixth and final case psychogenesis of a case of homosexuality in a woman To date this case has received very little attention which can be seen as a sign of the marginalization of lesbians in both psychoanalytic theory and culture This text seeks to rectify this neglect providing a forum where questions surrounding this case can be discussed This edition first published in 1999 Routledge is an imprint of Taylor Francis an informa company **Mathematics** Douglas M. Campbell, John C.

Higgins, 1984 Based upon the principle that graph design should be a science this book presents the principles of graph construction The orientation of the material is toward graphs in technical writings such as journal articles and technical reports But much of the material is relevant for graphs shown in talks and for graphs in nontechnical publications from back cover

The Eyes of the Lion Cindy Yee Kong, 2013-11-14 Cindy Yee Kong was a normal little girl living a normal everyday life in Hong Kong until a crippling genetic disease reshaped not only her body but her sense of self She developed uncontrollable twitching and slurred speech making even the most mundane daily tasks a challenge Yee's childhood was defined by an endless string of appointments as doctor after doctor tried in vain to help her Desperate she and her mother moved to New York in the hope of a new life There she faced insurmountable pressure to adapt to a new country culture and language Tragically in a home still haunted by alcoholism her life was tainted by physical mental emotional and sexual abuse After a horrifying attack left her body and heart shattered Yee struggled with shame and fear In 1995 she was finally able to put a name to her condition dopa responsive dystonia and her long path of treatment began From a young age Yee felt that the

only one she could count on was herself But then in the midst of her darkest days she experienced the miracle of true friends compassion and was able to begin the slow crawl out of despair Determined not to be a victim anymore she devoted herself to her education earning her degree in sociology from Stony Brook University A former social worker Yee shares her story of pain fear and optimism hoping to inspire others to push through their darkest times too **Religion and Political**

Tolerance in America Paul Djupe,2015-06-30 Religious institutions are often engaged in influencing the beliefs and values that individuals hold But religious groups can also challenge how people think about democracy including the extension of equal rights and liberties regardless of viewpoint or what is commonly called political tolerance The essays in Religion and Political Tolerance in America seek to understand how these elements interrelate The editor and contributors to this important volume present new and innovative research that wrestles with the fundamental question of the place of religion in democratic society They address topics ranging from religious contributions to social identity to the political tolerance that religious elites clergy hold and advocate to others and how religion shapes responses to intolerance The conclusion by Ted Jelen emphasizes that religion s take on political tolerance is nuanced and that they are not incompatible religion can sometimes enhance the tolerance of ordinary citizens **Spanish Literature: A Collection of Essays** David Foster,Daniel

Altamiranda,Carmen de Urioste,2000-12-27 Covering Spanish Literature from Origins to the 1700s First Published in 2001 Routledge is an imprint of Taylor Francis an informa company **Feminist Interpretations of Martin Heidegger** Nancy J. Holland,Patricia Huntington,2010-11-01 The 14 essays included in this collection illustrate the ways in which feminist readings can deepen understanding of Heidegger s philosophy They illuminate both the richness and the limitations of the resources Heidegger s work can provide for feminist thought A Program Development Handbook for the Holistic

Assessment of Writing Norbert Elliot,Maximino Plata,Paul F. Zelhart,1990 This book is a major breakthrough for developers of writing assessment programs who must certify the writing competency of undergraduate students Legislators and accreditation boards across the nation have called for and implemented large scale projects to measure educational outcomes This single source provides comprehensive information on the history underlying concepts and process of conducting a large scale writing assessment program at a specific institution of higher education The handbook opens with an analysis of the rationale for the assessment of writing during the junior year of the undergraduate curriculum The authors then turn to a case study of the success of their own institutional wide assessment program A history is provided of 20th century writing assessment practices as well attention is given to defining levels of literacy After describing an assessment process model discussion turns to the design of questions the administration of the assessment the rating of papers and the statistical analysis of data Attention is also given to the design of a course for those who are unsuccessful on the assessment The study closes with directions for further research and over 200 references in the bibliography **Alfred Kazin's**

Journals Alfred Kazin,2011-01-01 At the time of his death in 1998 Alfred Kazin was considered one of the most influential

intellectuals of postwar America What is less well known is that Kazin had been contributing almost daily to an extensive private journal which arguably contains some of his best writing These journals collectively tell the story of his journey from Brooklyn s Brownsville neighborhood to his position as a dominant figure in twentieth century cultural life To Kazin the daily entry was a psychological and spiritual act To read through these entries is to reexperience history as a series of daily discoveries by an alert adventurous if often mercurial intelligence It is also to encounter an array of interesting and notable personalities Sketches of friends mistresses family figures and other intellectuals are woven in with commentary on Kazin s childhood early religious interests problems with parents bouts of loneliness dealings with publishers and thoughts on the Holocaust The journals also highlight his engagement with the political and cultural debates of the decades through which he lived He wrestles with communism cultural nationalism liberalism existentialism Israel modernism and much more Judiciously selected and edited by acclaimed Kazin biographer Richard Cook this collection provides the public with access to these previously unavailable writings and in doing so offers a fascinating social historical literary and cultural record
