Popular Photography ,1990-12      *Machine Vision for Advanced Production* Matti Pietik[inen,Louis-Fran[ois Pau,1996  
Machine vision technology has created a strong interest among research organizations resulting in many innovative products  
Despite this end users have been very skeptical towards machine vision and its robustness in harsh industrial environments  
This book presents the results of a national machine vision technology program aimed at boosting research and putting  
research results to work in practical industrial applications The topics to be covered include image acquisition analysis of  
surface color and texture applications of machine vision in surface inspection and process control 3 D measurements and  
CAD based machine vision      *Catalog of Copyright Entries. Third Series* Library of Congress. Copyright Office,1968
