Operation Crossbow Allan Williams, 2013-05-30 The story of the photographic intelligence work undertaken from a country house at Medmenham Buckinghamshire is one of the great lost stories of the Second World War At its peak in 1944 almost 2 000 British and American men and women worked at the top secret Danesfield House interpreting photographs the majority stereoscopic so they could be viewed in 3D to unlock secrets of German military activity and weapons development Millions of aerial photographs were taken by Allied pilots flying unarmed modified Spitfires and Mosquitos on missions over Nazi Europe it was said that an aircraft could land the photographs be developed and initial interpretation completed within two hours marking the culmination of years of experiments in aerial intelligence techniques Their finest hour began in 1943 during the planning stages of the Allied invasion of Europe when Douglas Kendall who masterminded the interpretation work at Medmenham led the hunt for Hitler's secret weapons Operation Crossbow would grow from a handful of photographic interpreters to the creation of a hand picked team and came to involve interpreters from across the Medmenham spectrum including the team of aircraft specialists led by the redoubtable Constance Babington Smith In November that year whilst analysing photographs of Peenemunde in northern Germany they spotted a small stunted aircraft on a ramp This intelligence breakthrough linked the Nazi research station with a growing network of sites in northern France where ramps were being constructed aligned not only with London but targets throughout southern Britain Through the combined skill and dedication of the Crossbow team and the heroism of the Allied pilots throughout late 1943 and 1944 V weapon launch sites were located and through countermeasures destroyed saving hundreds of thousands of lives and changing the course of the war Operation Crossbow is a wonderful story of human endeavour and derring do told for the first time **Readers' Guide to Periodical Literature** ,1919 **Guns N' Roses at 40** Martin Popoff, 2025-06-17 Celebrate four exhilarating and rebellious decades of

Guns N Roses with this lushly illustrated journey through the band's biggest moments. Formed on Los Angeles' famed Sunset Strip in 1985, Guns N Roses worked their way up from the club scene in less than three years to become a best-selling recording act and a top tour draw. Along the way, there was no shortage of controversy to accompany the accolades. In *Guns N Roses at 40*, prolific rock biographer Martin Popoff curates 40 key touchstones in GN R's career, charting their formation and early history, key concert appearances, groundbreaking releases, notable collaborations, business challenges, personal difficulties, band quarrels, and more. This beautifully produced tribute features stunning photography both on and off the stage, images of band memorabilia, Guns N Roses timeline, complete studio discography. Popoff covers it all: A history of the band's scruffy early days on Hollywood's Sunset Strip club scene; backgrounds of founding members Axl Rose, Duff McKagan, Slash, Izzy Stradlin, and Steven Adler; rundowns of the key studio albums and the processes behind them; analyses of the infamous incidents and controversies that seemed to follow the band; the departures and sometimes the returns of key members; first-person interviews with bassists Duff McKagan and Tommy Stinson. In examining 40 key pivot points in GN R's now forty-year history, *Guns N Roses at 40* provides a concise, documentary-like view of the band that, as much as any other, helped drive a spike through the heart of hair metal. Combine this unique perspective with a gorgeous package, and you have an indispensable addition to the collection of every fan.

[Van Halen at 50](#) Martin Popoff, 2024-05-28

Explore the extraordinary history of Van Halen through the groundbreaking band's 50 most important moments brought to vivid life with photos and memorabilia. Formed in Southern California in 1974, Van Halen became one of the best-selling bands in rock history and one of the highest-grossing tour acts with their rock-solid rhythm section, the histrionics of outrageous frontman David Lee Roth, and the wildly inventive and until then unimaginable guitar heroics of Eddie Van Halen. In *Van Halen at 50*, prolific rock journalist Martin Popoff pays tribute to the band on the occasion of their 50th anniversary by curating 50 significant milestones from their formation in 1974 to the passing of Eddie Van Halen in 2020. This volume features stunning concert and candid offstage photography, images of memorabilia including gig posters, vinyl record sleeves, ticket stubs, period ads, and more. Van Halen timeline: Across five decades, Popoff covers it all: The band's formation in Pasadena, California, and early years as a So Cal party band; 13 best-selling studio albums and the tours undertaken in support of the LPs; the departure of Roth and his replacement by The Red Rocker Sammy Hagar; notable appearances like Texas Jam, Farm Aid, and Monsters of Rock; a selection of their greatest singles like the classic rock standards "Runnin' with the Devil," "Hot for Teacher," "Jump," and "Why Can't This Be Love"; awards such as MTV Music Video Awards, platinum and diamond album certifications, and induction into the Rock and Roll Hall of Fame; Eddie Van Halen's battle with cancer; bassist Michael Anthony's replacement by Eddie's son Wolfgang. In addition, Popoff includes a selection of sidebars covering specialized topics like Eddie's finger-tapping technique, the band's album art, and the eternal Dave vs. Sammy question. Every page is illustrated with incredible images including on and off stage photography, gig posters, 7-inch picture sleeves, ticket stubs, and more. The result is an apt
