Jane Dodsworth

Utting Report People Like Us:

Secrets and Silence Beatrix Campbell, 2023-10-10 Secrets and Silence reveals that the enquiry that followed the Cleveland child abuse scandal of 1987 was a cover up Doctors were discouraged and social workers disempowered a legacy that leads all the way to the current Independent Inquiry into Child Sexual Abuse

Pathways into Sexual Exploitation and Sex Work Jane Dodsworth, 2015-08-11 This book identifies risk and protective factors influencing routes into through and out of sexual exploitation and sex work It explores how the sense made of key childhood and adult experiences influences the ability to manage roles and identities and choices they feel empowered or forced to make

Teacher's Guide to Protecting Children Janet Kay, 2003-11-01 This practical guide provides teachers with a quick and accessible reference to the teacher's role within the child protection system and their responsibilities to abused children With its accessible layout and clear and simple style this book will appeal to the busy teacher who needs to know that essential information is always at hand

Handbook for Practice Learning in Social Work and Social Care, Third Edition Joyce Lishman, 2015-08-21 This fully updated and expanded third edition of a classic text provides a comprehensive introduction to key theory knowledge research and evidence relating to practice learning in social work and social care It outlines the theories that underpin social care practice the main assessment models and interventions and also offers guidance on the effective implementation of assessment across a range of professional contexts Contributors from research policy making and practice backgrounds offer guidance on how to apply policy and research findings in everyday practice while ensuring that the complex needs of each individual service user are met This third edition also features new chapters on group work social pedagogy and personalisation The Handbook for Practice Learning in Social Work and Social Care is an essential resource for ensuring effective evidence based practice which will be valued by students educators and practitioners alike

Child Law for Social Work Jane Williams, 2008-05-18 An invaluable resource for all social workers in practice with children and families this book examines key issues such as child protection family support care planning adoption and case preparation for court With illustrative case studies throughout the text is divided into two sections Part 1 explores the legal context of social work practice with children examining how international human rights standards are absorbed within domestic law Part 2 explores the application of the law policies and systems to individual case work illustrating rights based thinking in practice Accessible to those without a background in law the book highlights links between social work standards and legal values and rules With promotion of the rights of children and families a measure of professional competence and legal obligation the book helps readers satisfy social work standards and use their knowledge of the law to improve their practice The book is vital reading for all levels of social work student including those undertaking the post qualifying award in child care as well as being an indispensable resource for practitioners working with children and families Jane Williams is a lecturer in law at the University of Swansea She specialises in social work law and children's rights Other publications include Children and

Citizenship SAGE 2007 co edited with Antonella Invernizzi *Social Work and Social Care Practice* Ian O'Connor, Mark Hughes, Danielle Turney, Jill Wilson, Deborah Setterlund, 2006-02-14 For many readers especially trainers and educationalists the thoroughness of this book is likely to be attractive The added advantage of O Connor et al s book is that it covers social work for both adults and children This book is likely to appear on many social work reading lists It has the potential to provide good learning opportunities for post qualifying as well as pre qualifying training Health and Social Care in the Community A useful framework for practice to accompany undergraduate learning and also the post qualifying consolidation of social work knowledge theory and skills Dr Patricia Higham This lively and engaging textbook is an adaptation of the bestselling introductory social work book available in Australia This edition has been thoroughly revised to reflect wider changes that have characterized social work training and practice in recent years It offers the reader an essential grounding in the core knowledge values and skills needed for successful completion of their degree Key features of the book include Comprehensive content includes discussion of theoretical perspectives policy assessment intervention the ethics and values framework and practice learning A student friendly approach includes case studies chapter summaries further reading sections and discussion questions A multi professional perspective recognises the experiences of all those working across the field of social care and incorporates service user s voices Practice oriented offers specific guidance to overcome challenges and provides an effective framework for practice This authoritative textbook will be an essential guide to the challenges and concepts underpinning social work practice It offers a flavour of what social work entails and engages with recent debates about the nature of practice It will be an invaluable text for social work trainees and will also be useful reading for post qualifying students and practitioners *Social Work with Looked After Children* Christine Cocker, Lucille Allain, 2012-12-31 This revised edition details organisational systems and structures that are part of the assessment and planning process for looked after children This is closely interwoven with discussions about their emotional development educational health and cultural needs and how these needs can be met through social work and a range of other services The views of looked after children are highlighted through case studies and summaries of research findings and the range of skills and knowledge necessary to support looked after children through the key events they experience including loss change and the development of new relationships are explained and illustrated **Understanding Children's Social Care** Nick Frost, Nigel Parton, 2009-05-07 Understanding Children s Social Care is the first book to provide a comprehensive overview and critical analysis of children s social care in England following the introduction of Every Child Matters and the 2007 Children s Plan The book examines the key issues surrounding child care policy and legislation and the implications these have for practice Authors Nick Frost and Nigel Parton draw upon sociological theory and debate to help the reader understand the future direction of policy and practice presenting seemingly complex theoretical ideas in an accessible and coherent manner Criminal Records T. Thomas, 2007-10-17 Terry Thomas considers the use of criminal records within the

criminal justice system and beyond especially the growth of their use for pre employment screening via the Criminal Records Bureau This book also considers future developments and the impact that transferring criminal records across international borders will have

Managing Residential Childcare R. Whipp,I. Kirkpatrick,M. Kitchener,2004-11-12 This book explores the management of children s services in local authorities across England and Wales It examines residential childcare from a management and organizational perspective for the first time The volume evaluates how social services manage residential units and offers alternative solutions The book will interest academics practitioners and policy makers who work in the public sector as well as their counterparts from outside who are concerned with the issues of control implementation professionals and markets

State Child Care Carol Hayden,1999 This text assesses the current state of provision for looked after children in both the residential and foster care sectors It addresses a number of specific issues including admission and placement into care and education of looked after children

Enhancing the Well-being of Children and Families through Effective Interventions Wendy Rose,Professor Colette McAuley,Peter Pecora,2006-01-30 Services for families and children are rightfully the focus of intense scrutiny and debate and there is a clear need to establish a knowledge of which services work well This volume provides a comprehensive overview of research evidence from the UK and USA on the effectiveness of selected child welfare interventions

Enhancing the Well-being of Children and Families Through Effective Interventions Colette McAuley,Peter J. Pecora,Wendy Rose,2006 This reader compares up to date policy and research evidence from the UK and USA on the effectiveness of core child welfare interventions The text shows how knowledge of effective interventions can be used to improve assessment of needs and planning and reviewing services to children and their families

Revisiting Children's Rights Deirdre Fottrell,2021-07-26 The UN Convention on the Rights of the Child passed in 1989 was the first universal treaty dedicated solely to the promotion and protection of the interests of children In its first decade the Convention achieved near universal ratification and is now the most widely ratified human rights treaty ever In addition as a consequence of its influence children s human rights have been mainstreamed and are now prioritised at all levels within the United Nations and other regional organisations This book provides the first comprehensive overview of the first decade of the Convention It also brings together leading scholars and activists who place the Convention in a wider context and revisit contemporary debates and controversies in children s rights to assess the extent to which these issues have been influenced by the Convention in its first decade

Safeguarding and Promoting the Well-being of Children, Families and Communities Jane Scott,Harriet Ward,2005-09-20 Improving the well being of children is more effective when social care professionals work with the children s parents families and communities This collection brings together innovative interventions designed to nurture children s health and welfare and analyses which types of programmes are most effective and why

Children living in different settings The Open University, This 8 hour free course explored the position of children who live away from their families and the significance of moving in a child s life

Sex Crime Terry

Thomas,2013-01-11 This book provides an account of the nature and extent of sex crime and offending in contemporary Britain and the policies and legislative actions taken to combat this Sex offenders have become demonised figures which has made it essential to explain the phenomena and to formulate appropriate policies and law This second edition builds upon the successful first edition and is revised and expanded to reflect the many developments which have taken place in this field The book now covers both criminal justice approaches to sexual offending and the civil processes towards greater protection from sexual offending updated and expanded second edition of established textnow covers both criminal justice approaches to sexual offending and civil processesanalyses impact of Sexual Offences Act of 2003 new measures on internet sex crime and pornography establishment of Criminal Records Bureau and international trafficking **Residential Child Care** Andrew Kendrick,2008 Draws on recent research to address key issues in residential child care policy and practice in the UK offering guidance for developing best practice and improved outcomes for children and young people **Families and the State** Commission on Families and the Wellbeing of Children (Great Britain),NCH (Great Britain),2005-10-31 This report from The Commission on Families and the Wellbeing of Children addresses critical issues of child poverty and inequality in the context of the relationship between the state and families It considers ways in which the state should support families and the difficult balance to be struck between its caring and control functions *Leadership in Residential Child Care* Dione Hills,Camilla Child,2000-04-07 In one enquiry after another there has been a call for an increasein the proportion of qualified staff in residential child careservices as one of a range of solutions to the difficulties thathave beset the service Leadership in Residential Child Carecompares and assesses courses available for professional socialwork training and explores the ways that training contributes tothe quality of care in the sector Drawing on an evaluation of theResidential Child Care Initiative the authors examine the dilemmasconcerning the provision of qualification training for residentialcare staff today They address issues such as the loss of qualified staff from the sector different models of professional competence that qualificationseeks to achieve the role qualification and training can play in enhancing thestatus of what is sometimes seen as the Cinderella element in childcare provision Leadership in Residential Child Care discusses issues ofconsiderable relevance to managers and trainers seeking to maximisethe value they derive from the training provided to residentialchild care staff The experience of special courses developed underthe Residential Child Care Initiative will be of interest to allthose concerned with the development of the sector from thoseconsidering the training needs of residential care staff toteachers and tutors in universities and colleges of highereducation providing social work qualification programmes

Utting Report People Like Us Book Review: Unveiling the Magic of Language
