Maxine Waller, 1995 The closing of local mines and factories collapsed the economic and social structure of Ivanhoe Virginia a small rural town once considered a dying community on the rough side of the mountain Documenting the creative survival techniques developed by Ivanhoe citizens in the aftermath *It Comes from the People* tells how this community organized to revitalize the town and demand participation in its future Photos interviews stories songs poems and scenes from a local theater production tell how this process of rebuilding gradually uncovered the community's own local theology and a growing consciousness of cultural and religious values A significant aspect of this social transformation in Ivanhoe as in many rural areas was the emergence of women as leaders educators and organizers developing new approaches to revive the economy and the people simultaneously This book is unusually open about the difficult process faced by outside researchers working with community members to describe community life It discusses the inherent dilemmas frankly and presents a model for those who engage in community studies and ethnographic research Author note Mary Ann Hinsdale is Associate Professor of Religious Studies at Boston College Helen M Lewis is Interim Director of the Appalachian Center at Berea College in Kentucky S Maxine Waller is President of the Ivanhoe Civic League and directs community based student volunteer programs in Virginia *How to Get the Job You Desire* Peggy Redman, 2004-03 **Assaulting the Gates** Rev. Paul D. Borden, 2011-12-01 Learn the Big Picture approach that will aim your congregation at the mission field in your back yard or around the world Many churches want to make the transition from an inward to an outward focus from catering to the needs of members to reaching out into the world to make disciples of Jesus Christ Too often they try to accomplish this radical change by taking half steps and partial measures initiating a new program here or adding a new staff members there Yet this kind of change requires more To succeed in changing its core focus this way a congregation must learn strategic thinking it must commit itself to seeing the big picture and to taking the steps necessary to paint that picture afresh Everyone including pastors lay leaders key teams and groups and the congregation as a whole must be involved in a process of transformation Paul D Borden author of *Hit the Bullseye* and *Direct Hit* knows that this transformation will not be easy But if the target is bringing more people into saving relationship with Jesus Christ what could be more worthwhile The 60-minute Money Workout Ellie Kay, 2010 Presents advice on creating a personal financial plan which incorporates strategies for controlling costs for housing education health

has clearly shown examples of the outpourings of The Holy Spirit The information inside will show someand remind othersthat God is everlasting He hears your prayer and He sees who you truly are as you are going through your life This reading experience is for those who need to revisit some of the basics regarding Gods principles or to seek clarification Inside you will even find information related to profound questions concerns and situations you may have pondered in your own mind for years A Journey with God through the Holy Spirit may be just what you need to help you move forward in your walk with God Its in hereaccess to information and specific wording for those who have been scared tired or in need of reassurances from God *International Journal of Religious Education* ,1924 *Herald and Presbyter* ,1922
