Island of Tears, Island of Hope Niall O'Brien, 2005-05-25 In his acclaimed memoir *Revolution from the Heart* O'Brien described his personal journey as a priest and the steps that led him to share the struggle and the fate of the poor on the island of Negros in the Philippines In *Island of Tears Island of Hope* he wrestles with the form that commitment ought to take The desperate plight of Negros s sugar workers cries to heaven for revolutionary change But what are the appropriate means for Christians While weighing the church s traditional defense of violence in a just cause O'Brien outlines a case for active nonviolence In focusing on the dilemma before him he speaks to all Christians living in a world of revolution

Hijacked! Clarence Washington Sr., 2021-06-24 In this four volume series *Hijacked* How Dr King s Dream Became a Nightmare author Clarence Washington Sr dissects Dr Martin Luther King s dream and explores how our failure to adhere to its principles has allowed the dream to be hijacked and turned to a nightmare and it s time to wake up In the third volume of the *Hijacked* collection *The Nightmare* the author details the devastating destruction of the lives of an enormous number of poor disadvantaged and middleclass people This represents the destruction of the American way of life as a direct result of the hijack of Dr King s dream a dream that is so inseparably connected to the American dream Today America could be depicted as a waning great person who is standing on the edge of a tall building at the top of the world looking around in deep contemplation not knowing exactly what to do next If the winds of change blow too hard this wavering person could lose their focus fall and plunge to their death never again to regain their greatness To step back from the edge we must all do our part to make King s dream a reality instead of watching it morph

into something dark The Nightmare is an exposition of the tragic evidence of America's imminent loss of her exceptional nation status and the opportunity to make Dr King's dream a reality For the full dissection of Dr King's dream and how our failure to adhere to its principles has led to a nightmare explore the other volumes in Hijacked How Dr King's Dream Became a Nightmare Other volumes in this series focus on the dream the hijack itself and how we can recover **World**
